Sec. 162.102. ADOPTION OF COMPACT; TEXT. The Interstate Compact on the Placement of Children is adopted by this state and entered into with all other jurisdictions in form substantially as provided by this subchapter.

INTERSTATE COMPACT ON THE PLACEMENT OF CHILDREN

ARTICLE I. PURPOSE AND POLICY

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

(a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.

(b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the

child.

(c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis on which to evaluate a projected placement before it is made.

(d) Appropriate jurisdictional arrangements for the care of children will be promoted.

ARTICLE II. DEFINITIONS

As used in this compact:

(a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship, or similar control.

(b) "Sending agency" means a party state, officer, or employee thereof; a subdivision of a party state, or officer or employee thereof; a court of a party state; a person, corporation, association, charitable agency, or other entity which sends, brings, or causes to be sent or brought any child to another party state.

(c) "Receiving state" means the state to which a child is sent, brought, or caused to be sent or brought, whether by public authorities or private persons or agencies, and whether for placement with state or local public authorities or for placement with private agencies or persons.

(d) "Placement" means the arrangement for the care of a child in a family free or boarding home or in a child-caring agency or institution but does not include any institution caring for the mentally ill, mentally defective, or epileptic or any institution primarily educational in character, and any hospital or other medical facility.

ARTICLE III. CONDITIONS FOR PLACEMENT

(a) No sending agency shall send, bring, or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing, or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall

furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring, or place the child in the receiving state. The notice shall contain:

- (1) the name, date, and place of birth of the child;
- (2) the identity and address or addresses of the parents or legal guardian;
- (3) the name and address of the person, agency, or institution to or with which the sending agency proposes to send, bring, or place the child;
- (4) a full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice pursuant to Paragraph (b) of this article may request of the sending agency, or any other appropriate officer or agency of or in the sending agency's state, and shall be entitled to receive therefrom, such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought, or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency, in writing, to the effect that the proposed placement does not appear to be contrary to the interests of the child.

ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT

The sending, bringing, or causing to be sent or brought into any receiving state of a child in violation of the terms of this compact shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit, or other legal authorization held by the sending agency which empowers or allows it to place or care for children.

ARTICLE V. RETENTION OF JURISDICTION

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment, and disposition of the child which it would have had if the child had remained in the sending agency's state, until the child is adopted, reaches majority, becomes self-supporting, or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained herein shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of one or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state; nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in Paragraph (a) hereof.

ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to his being sent to such other party jurisdiction for institutional care and the court finds that:

(1) equivalent facilities for the child are not available in the sending agency's jurisdiction; and

(2) institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

ARTICLE VII. COMPACT ADMINISTRATOR

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in his jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

ARTICLE VIII. LIMITATIONS

This compact shall not apply to:

(a) the sending or bringing of a child into a receiving state by his parent, stepparent, grandparent, adult brother or sister, adult uncle or aunt, or his guardian and leaving the child with any such relative or nonagency guardian in the receiving state; or

(b) any placement, sending, or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party, or to any other agreement between said states which has the force of law.

ARTICLE IX. ENACTMENT AND WITHDRAWAL

This compact shall be open to joinder by any state, territory, or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and, with the consent of congress, the government of Canada or any province thereof. It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same, but shall not take effect until two years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties, and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

ARTICLE X. CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

(a) Financial responsibility for a child placed as provided in the compact is determined, in the first instance, as provided in Article V of the compact. After partial or complete default of performance under the provisions of Article V assigning financial responsibility, the commissioner of the Department of Family and Protective Services may bring suit under Chapter 154 and may file a complaint with the appropriate prosecuting attorney, claiming a violation of Section 25.05, Penal Code.

(b) After default, if the commissioner of the Department of Family and Protective Services determines that financial responsibility is unlikely to be assumed by the sending agency or the child's parents, the commissioner may cause the child to be returned to the sending agency.

(c) After default, the Department of Family and Protective Services shall assume financial responsibility for the child until it is assumed by the child's parents or until the child is safely returned to the sending agency.

INTERSTATE COMPACT ON ADOPTION AND MEDICAL ASSISTANCE

ARTICLE I. FINDINGS

The legislature finds that:

(a) Finding adoptive families for children for whom state assistance is desirable, under Subchapter D, Chapter 162, and assuring the protection of the interest of the children affected during the entire assistance period require special measures when

the adoptive parents move to other states or are residents of another state.

(b) The provision of medical and other necessary services for children, with state assistance, encounters special difficulties when the provision of services takes place in other states.

ARTICLE II. PURPOSES

The purposes of the compact are to:

(a) authorize the Department of Family and Protective Services, with the concurrence of the Health and Human Services Commission, to enter into interstate agreements with agencies of other states for the protection of children on behalf of whom adoption assistance is being provided by the Department of Family and Protective Services; and

(b) provide procedures for interstate children's adoption assistance payments, including medical payments.

ARTICLE III. DEFINITIONS

In this compact:

(a) "Adoption assistance state" means the state that signs an adoption assistance agreement in a particular case.

(b) "Residence state" means the state in which the child resides by virtue of the residence of the adoptive parents.

(c) "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, or a territory or possession of or a territory or possession administered by the United States.

ARTICLE IV. COMPACTS AUTHORIZED

The Department of Family and Protective Services, through its commissioner, is authorized to develop, participate in the development of, negotiate, and enter into one or more interstate compacts on behalf of this state with other states to implement one or more of the purposes of this compact. An interstate compact authorized by this article has the force and effect of law.

ARTICLE V. CONTENTS OF COMPACTS

A compact entered into under the authority conferred by this compact shall contain:

(1) a provision making the compact available for joinder by all states;

(2) a provision for withdrawal from the compact on written notice to the parties, with a period of one year between the date of the notice and the effective date of the withdrawal;

(3) a requirement that protections under the compact continue for the duration of the adoption assistance and apply to all children and their adoptive parents who on the effective date of the withdrawal are receiving adoption assistance from a party state other than the one in which they reside and have their principal place of abode;

(4) a requirement that each case of adoption assistance to which the compact applies be covered by a written adoption assistance agreement between the adoptive parents and the state child welfare agency of the state that provides the adoption assistance and that the agreement be expressly for the benefit of the adopted child and enforceable by the adoptive parents and the state agency providing the adoption assistance; and

(5) other provisions that are appropriate for the proper administration of the compact.

ARTICLE VI. OPTIONAL CONTENTS OF COMPACTS

A compact entered into under the authority conferred by this compact may contain the following provisions, in addition to those required under Article V of this compact:

(1) provisions establishing procedures and entitlement to medical, developmental, child-care, or other social services for the child in accordance with applicable laws, even if the child and the adoptive parents are in a state other than the one responsible for or providing the services or the funds to defray part or all of the costs thereof; and

(2) other provisions that are appropriate or incidental to the proper administration of the compact.

ARTICLE VII. MEDICAL ASSISTANCE

(a) A child with special needs who resides in this state and who is the subject of an adoption assistance agreement with another state is entitled to receive a medical assistance identification from this state on the filing in the state medical assistance agency

of a certified copy of the adoption assistance agreement obtained from the adoption assistance state. In accordance with rules of the state medical assistance agency, the adoptive parents, at least annually, shall show that the agreement is still in effect or has been renewed.

(b) The state medical assistance agency shall consider the holder of a medical assistance identification under this article as any other holder of a medical assistance identification under the laws of this state and shall process and make payment on claims on the holder's account in the same manner and under the same conditions and procedures as for other recipients of medical assistance.

(c) The state medical assistance agency shall provide coverage and benefits for a child who is in another state and who is covered by an adoption assistance agreement made by the Department of Family and Protective Services for the coverage or benefits, if any, not provided by the residence state. The adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the residence state and shall be reimbursed for those amounts. Services or benefit amounts covered under any insurance or other third-party medical contract or arrangement held by the child or the adoptive parents may not be reimbursed. The state medical assistance agency shall adopt rules implementing this subsection. The additional coverage and benefit amounts provided under this subsection are for services for which there is no federal contribution or services that, if federally aided, are not provided by the residence state. The rules shall include procedures for obtaining prior approval for services in cases in which prior approval is required for the assistance.

(d) The submission of a false, misleading, or fraudulent claim for payment or reimbursement for services or benefits under this article or the making of a false, misleading, or fraudulent statement in connection with the claim is an offense under this subsection if the person submitting the claim or making the statement knows or should know that the claim or statement is false, misleading, or fraudulent. A person who commits an offense under this subsection may be liable for a fine not to exceed \$10,000 or

imprisonment for not more than two years, or both the fine and the imprisonment. An offense under this subsection that also constitutes an offense under other law may be punished under either this subsection or the other applicable law.

(e) This article applies only to medical assistance for children under adoption assistance agreements with states that have entered into a compact with this state under which the other state provides medical assistance to children with special needs under adoption assistance agreements made by this state. All other children entitled to medical assistance under adoption assistance agreements entered into by this state are eligible to receive the medical assistance in accordance with the laws and procedures that apply to the agreement.

ARTICLE VIII. FEDERAL PARTICIPATION

Consistent with federal law, the Department of Family and Protective Services and the Health and Human Services Commission, in connection with the administration of this compact or a compact authorized by this compact, shall include the provision of adoption assistance and medical assistance for which the federal government pays some or all of the cost in any state plan made under the Adoption Assistance and Child Welfare Act of 1980 (Pub. L. No. 96-272), Titles IV-E and XIX of the Social Security Act, and other applicable federal laws. Sec. 162.204. SUPPLEMENTARY AGREEMENTS. The compact administrator may enter into supplementary agreements with appropriate officials of other states under the compact. If a supplementary agreement requires or authorizes the use of any institution or facility of this state or requires or authorizes the provision of a service by this state, the supplementary agreement does not take effect until approved by the head of the department or agency under whose jurisdiction the institution or facility is operated or whose department or agency will be charged with rendering the service.

An offense under this section that also constitutes an offense under other law may be punished under either this section or the other applicable law.

Added by Acts 1995, 74th Leg., ch. 846, Sec. 9, eff. June 16, 1995.

SUBCHAPTER D. ADOPTION SERVICES BY THE DEPARTMENT OF
FAMILY AND PROTECTIVE SERVICES

Sec. 162.301. DEFINITIONS. In this subchapter:

(1) "Adoption assistance agreement" means a written agreement, binding on the parties to the agreement, between the Department of Family and Protective Services and the prospective adoptive parents that specifies the nature and amount of any payment, services, or assistance to be provided under the agreement and stipulates that the agreement will remain in effect without regard to the state in which the prospective adoptive parents reside at any particular time.

(2) "Child" means a child who cannot be placed for adoption with appropriate adoptive parents without the provision of adoption assistance because of factors including ethnic background, age, membership in a minority or sibling group, the presence of a medical condition, or a physical, mental, or emotional disability.

(3) "Department" means the Department of Family and

Protective Services.

Added by Acts 1995, 74th Leg., ch. 20, Sec. 1, eff. April 20, 1995.

Amended by Acts 1995, 74th Leg., ch. 412, Sec. 1, eff. Aug. 28, 1995.

Amended by:

Acts 2015, 84th Leg., R.S., Ch. 1 (S.B. 219), Sec. 1.107, eff. April 2, 2015.

Sec. 162.304. FINANCIAL AND MEDICAL ASSISTANCE. (a) The department shall administer a program to provide adoption assistance for eligible children and enter into adoption assistance agreements with the adoptive parents of a child as authorized by Part E of Title IV of the federal Social Security Act, as amended (42 U.S.C. Section 673).

(b) The adoption of a child may be subsidized by the department. The need for and amount of the subsidy shall be determined by the department under its rules.

(b-1) Subject to the availability of funds, the department shall pay a \$150 subsidy each month for the premiums for health benefits coverage for a child with respect to whom a court has entered a final order of adoption if the child:

(1) was in the conservatorship of the department at the time of the child's adoptive placement;

(2) after the adoption, is not eligible for medical assistance under Chapter 32, Human Resources Code; and

(3) is younger than 18 years of age.

(b-2) The executive commissioner of the Health and Human Services Commission shall adopt rules necessary to implement Subsection (b-1), including rules that:

(1) limit eligibility for the subsidy under that subsection to a child whose adoptive family income is less than 300 percent of the federal poverty level;

(2) provide for the manner in which the department shall pay the subsidy under that subsection; and

(3) specify any documentation required to be provided by an adoptive parent as proof that the subsidy is used to obtain and maintain health benefits coverage for the adopted child.

(c) Repealed by Acts 2015, 84th Leg., R.S., Ch. 944 , Sec. 86(3), eff. September 1, 2015.

(e) Repealed by Acts 2015, 84th Leg., R.S., Ch. 944 , Sec. 86(3), eff. September 1, 2015.

(f) Subject to the availability of funds, the department shall work with the Health and Human Services Commission and the federal government to develop a program to provide medical assistance under Chapter 32, Human Resources Code, to children who were in the conservatorship of the department at the time of adoptive placement and need medical or rehabilitative care but do not qualify for adoption assistance.

(g) The executive commissioner of the Health and Human Services Commission by rule shall provide that the maximum amount of the subsidy under Subsection (b) that may be paid to an adoptive parent of a child under an adoption assistance agreement is an amount that is equal to the amount that would have been paid to the foster parent of the child, based on the child's foster care service level on the date the department and the adoptive parent enter into the adoption assistance agreement. This subsection applies only to a child who, based on factors specified in rules of the department, the department determines would otherwise have been expected to remain in foster care until the child's 18th birthday and for whom this state would have made foster care payments for that care. Factors the department may consider in determining whether a child is eligible for the amount of the subsidy authorized by this subsection include the following:

(1) the child's mental or physical disability, age, and membership in a sibling group; and

(2) the number of prior placement disruptions the child has experienced.

(h) In determining the amount that would have been paid to a foster parent for purposes of Subsection (g), the department:

(1) shall use the minimum amount required to be paid to a foster parent for a child assigned the same service level as the child who is the subject of the adoption assistance agreement; and

(2) may not include any amount that a child-placing agency is entitled to retain under the foster care rate structure in effect on the date the department and the adoptive parent enter into the agreement.

(i) A child for whom a subsidy is provided under Subsection (b-1) for premiums for health benefits coverage and who does not receive any other subsidy under this section is not considered to be the subject of an adoption assistance agreement for any other purpose, including for determining eligibility for the exemption from payment of tuition and fees for higher education under Section [54.367](#), Education Code.

(j) The department shall keep records necessary to evaluate the adoption assistance program's effectiveness in encouraging and promoting the adoption of children.

Sec. 162.401. PURPOSE. The purpose of this subchapter is to provide for the establishment of mutual consent voluntary adoption registries through which adoptees, birth parents, and biological siblings may voluntarily locate each other. It is not the purpose of this subchapter to inhibit or prohibit persons from locating each other through other legal means or to inhibit or affect in any way the provision of postadoptive services and education, by adoption agencies or others, that go further than the procedures set out for registries established under this subchapter.

(B) participate in counseling for not less than one hour with a social worker or mental health professional who has expertise in postadoption counseling; and

(C) provide the administrator with written certification that the counseling required under Subdivision (B) has been completed.

(c) Identifying information about a deceased birth parent

may not be released until each surviving child of the deceased birth parent is an adult or until each child's surviving parent, guardian, managing conservator, or legal custodian consents in writing to the disclosure.

(d) The administrator shall prepare and release written disclosure statements identifying information about each of the registrants if the registrants complied with Subsection (a) and, before the 60th day after the date notification of match was mailed, the registrant or registrants have not withdrawn their registrations.

(e) If the administrator establishes that a match cannot be made because of the death of an adoptee, birth parent, or biological sibling, the administrator shall promptly notify the affected registrant. The administrator shall disclose the reason why a match cannot be made and may disclose nonidentifying information concerning the circumstances of the person's death.
