governor under Section 654.012(8)(A) unless the position is a bona
fide new position established to accomplish duties related to
programs or functions that were not anticipated, and for that
reason not funded, under the General Appropriations Act.

(b) A new position may not be created under Section
654.012(8)(A) for the sole purpose of adjusting the salary of an
existing position.

classification plan under Section 654.012(8)(A) must contain a

position is filed with the classification officer and the
Legislative Budget Board.

(d) A position exempted by the governor under Section
654.012(8)(A) in the first year of a state fiscal biennium may
continue into the second year. The salary rate established for the

rate not to exceed the rate by which the salary schedule for
classified positions in the General Appropriations Act is adjusted
from the first to the second year of the biennium.

(c) A reclassification may take effect at any time.
