CHAPTER 1. GENERAL PROVISIONS

Sec. 1.01. PURPOSE OF CODE. (a) This code is enacted as a part of the state's continuing statutory revision program, begun by the Texas Legislative Council in 1963 as directed by the legislature in Chapter 448, Acts of the 58th Legislature, 1963 (Article 5429b-1, Vernon's Texas Civil Statutes). The program contemplates a topic-by-topic revision of the state's general and permanent statute law without substantive change.

(b) Consistent with the objectives of the statutory revision program, the purpose of this code is to make the general and permanent alcoholic beverage law more accessible and understandable, by:

- (1) rearranging the statutes into a more logical order;
- (2) employing a format and numbering system designed to facilitate citation of the law and to accommodate future expansion of the law;
- (3) eliminating repealed, duplicative, unconstitutional, expired, executed, and other ineffective provisions; and
- (4) restating the law in modern American English to the greatest extent possible.

Acts 1977, 65th Leg., p. 393, ch. 194, Sec. 1, eff. Sept. 1, 1977.

If a suit is brought on a bond or other written instrument, and the person alleged to have executed the instrument denies by a sworn pleading to have executed the instrument, the court shall require the production and proof of the instrument.

The commission by rule shall assess surcharges on all applicants for an original or renewal certificate, permit, or license issued by the commission in addition to any fee set by this code and collect the surcharges at the time of application. In assessing a surcharge, the commission may not overly penalize any segment of the alcoholic beverage industry or impose an undue hardship on small businesses.

(b) A license or permit issued under this code is a purely personal privilege and is subject to revocation or suspension if the holder is found to have violated a provision of this code or a rule of the commission.

Added by Acts 1987, 70th Leg., ch. 303, Sec. 1, eff. June 11, 1987.

(c) The commission may not abate or refund a license or permit fee because of a change in the expiration date made under this section but may authorize a license or permit period of less than one year for the period during which the expiration date is changed. The commission may not authorize a license or permit period of greater than two years.

Added by Acts 1989, 71st Leg., 1st C.S., ch. 36, Sec. 5, eff. Oct. 18, 1989.

Amended by:

Acts 2007, 80th Leg., R.S., Ch. 986 (S.B. [1217](#)), Sec. 2, eff. September 1, 2007.

Sec. 6.03. CITIZENSHIP REQUIREMENTS. (a) It is the public policy of this state and a purpose of this section to require that, except as provided in Subsection (k) of this section or otherwise in this code, a permit or license may not be issued to a person who was not a citizen of this state for a one-year period preceding the date of the filing of the person's application for a license or permit. In that regard, the legislature makes the findings in Subsections (b) through (j) of this section.

(b) Between 1920 and 1933, the distribution and consumption of alcoholic beverages was prohibited in the United States. While the idealistic motives behind Prohibition were noble, a law enforcement nightmare ensued. Otherwise law-abiding citizens routinely violated the law by buying and consuming alcoholic beverages. The demand for the illegal products created an opportunity for criminal elements to develop a national network for the supply and distribution of alcoholic beverages to the populace. Massive criminal empires were

built on illicit profits from these unlawful activities and organized crime openly flourished in Chicago, New York, New Orleans, and other cities.

(c) During Prohibition, the illegal enterprises used their national wholesale distribution networks to exert control over their customers. A common operating procedure was to sell alcoholic beverages to a speakeasy on liberal terms to ensnarl the owner in a web of debt and control with the aim of forcing the owner to engage in other illegal business enterprises on the premises including gambling, prostitution, and the distribution of illegal drugs.

(d) In 1935, when the sale of alcoholic beverages was legalized in this state following the adoption of the Twenty-first Amendment to the United States Constitution, the state was faced with building an entire framework for the distribution of alcoholic beverage products. An important concern was that since criminals owned and controlled the existing illegal alcoholic beverage distribution system, criminals would attempt to own and control the newly legalized industry. In an effort to prevent this situation, comprehensive laws were adopted to ensure that an alcoholic beverage permit or license could be issued only to citizens of the state who had lived in this state for at least three years, thus, long enough to be known by their community and neighbors.

(e) Under the newly designed regulatory scheme, permits and licenses issued by the state did not grant the holder a right. Rather, the holder was granted a privilege that could be challenged at both the county and the state level if the character or qualifications of the applicant were suspect. Finally, strict cash and credit laws were adopted to prevent parties in the wholesale distribution system from controlling their retail customers through the leveraging of debt to accomplish other illicit gain.

(f) The alcoholic beverage laws adopted by the legislature in the 1930s to free the industry from the influence of organized crime have been successful in this state. The alcoholic beverage industry in this state is not dominated by organized crime. However, the legislature does find that organized crime continues to be a threat that should never be allowed to establish itself in the alcoholic beverage industry in this state.

(g) To accommodate the interests of the consuming public, the expansion of popular nationwide businesses, and the increasing state interest in tourism, and at the same time to guard against the

threats of organized crime, unfair competition, and decreased opportunities for small businesses, the legislature finds that there is no longer need for the three-year residency requirements with regard to those segments of the industry that sell alcoholic beverages to the ultimate consumer only. The legislature finds that it is desirable to retain a one-year residency requirement for businesses that sell to the consumer packaged liquor and fortified wine capable of being used to supply legal or illegal bars and clubs. The legislature also finds it reasonable, desirable, and in the best interests of the state to provide a one-year residency requirement for businesses engaged in the wholesale distribution of beer, malt liquor, or wine or in the manufacture and distribution of distilled spirits and fortified wines at both the wholesale and the retail levels where those beverages, in unopened containers, are sold to mixed beverage permittees and private club registration permittees as well as to the general public. Adequate protection is deemed to be provided by controlling those sources of supply for distilled spirits and fortified wines.

(h) It is also the public policy of this state and a purpose of this section to enforce strict cash and credit laws as a means of preventing those engaged in the distribution of alcoholic beverages from exerting undue influence over any level of the industry selling or serving alcoholic beverages to the ultimate consumer.

(i) It is also the public policy of this state and a purpose of this section to maintain and enforce the three-tier system (strict separation between the manufacturing, wholesaling, and retailing levels of the industry) and thereby to prevent the creation or maintenance of a "tied house" as described and prohibited in Section 102.01 of this code.

(j) The above-stated public policies, purposes of this section, and legislative findings are provided as guidelines for the construction of the following subsections of this section.

(k) A requirement under this code that 51 percent or more of the stock of a corporation be owned by a person or persons who were citizens of this state for a one-year period preceding the date of the filing of an application for a license or permit does not apply to a corporation organized under the laws of this state that applies for a license or permit under Chapters 25-34, Chapter 44, Chapters 48-51, Chapters 69-72, or Chapter 74 of this code if:

(1) all of the officers and a majority of directors of the

applicant corporation have resided within the state for a one-year period preceding the date of the application and each officer or director possesses the qualifications required of other applicants for permits and licenses;

(2) the applicant corporation and the applicant's shareholders have no direct or indirect ownership or other prohibited relationship with others engaged in the alcoholic beverage industry at different levels as provided by Chapter 102 of this code and other provisions of this code;

(3) the applicant corporation is not precluded by law, rule, charter, or corporate bylaw from disclosing the applicant's shareholders to the commission; and

(4) the applicant corporation maintains its books and records relating to its alcoholic beverage operations in the state at its registered office or at a location in the state approved in writing by the commission.

(1) Corporations subject to Subsection (k) of this section that have substantially similar ownership may merge or consolidate. A fee of \$100 shall be paid to the commission for each licensed or permitted premises that is merged or consolidated into the surviving corporation. The surviving corporation succeeds to all privileges of the prior corporation that held the permits or licenses if the surviving corporation is qualified to hold the permits or licenses under this code. For the purposes of this subsection, corporations have substantially similar ownership if 90 percent or more of the corporations is owned by the same person or persons or by the same corporation or corporations or if the surviving corporation has maintained an ownership interest in the merged or consolidated corporations since the date the original permit or license was issued.

Added by Acts 1993, 73rd Leg., ch. 934, Sec. 16, eff. Sept. 1, 1993.

Sec. 6.04. GRACE PERIOD ON RENEWAL OF LICENSES AND PERMITS.

(a) Notwithstanding any other provision of this code, the holder of a license or permit issued under this code may renew the license or permit rather than reapply for an original license or permit if, not later than the 30th day after the date of the expiration of the license or permit, the holder files a renewal application and the

required license or permit fee with the commission and pays a late fee as provided by rules of the commission.

(b) If an application is filed under Subsection (a), a violation of the law that occurs before the filing of a renewal application may be the basis for an administrative action against the holder of the license or permit.

(c) The holder of a license or permit who does not renew the license or permit before its expiration date may not operate until the holder files an application under Subsection (a).

(d) The commission shall adopt rules necessary to implement this section.

Amended by Acts 2001, 77th Leg., ch. 364, Sec. 1, eff. Sept. 1, 2001.

Sec. 6.05. CORPORATE LIABILITY. A corporation with an ownership interest in a corporation holding a permit under Section 6.03(k) of this code and which shares space, employees, business facilities, or services is subject to liability under Chapter 2 of this code.

Added by Acts 1993, 73rd Leg., ch. 934, Sec. 17, eff. Sept. 1, 1993.

On certification, unless good cause for refusal is shown, the commission or administrator shall grant permission, by letter or otherwise, for the receiver or successor in interest to operate the business during the unexpired portion of the permit. The permit may not be renewed, but the receiver or successor in interest may apply for an original permit or license. (2) that the holder of the permit agrees that the amount of the bond shall be paid to the state if the permit is revoked or on final adjudication that the holder violated a provision of this code, regardless of whether the actions of an employee of a holder are not attributable to the holder under Section 106.14.

Sec. 11.64. ALTERNATIVES TO SUSPENSION, CANCELLATION. (a) When the commission or administrator is authorized to suspend a permit or license under this code, the commission or administrator shall give the permittee or licensee the opportunity to pay a civil penalty rather than have the permit or license suspended, unless the basis for the suspension is a violation of Section 11.61(b)(14), 22.12, 28.11, 32.17(a)(2), 32.17(a)(3), 61.71(a)(5), 61.71(a)(6), 61.74(a)(14), 69.13, 71.09, 101.04, 101.63, 104.01(a)(4), 106.03, 106.06, or 106.15, the sale or offer for sale of an alcoholic beverage during hours prohibited by Chapter 105, consumption or the permitting of consumption of an alcoholic beverage on the person's licensed or permitted premises during hours prohibited by Chapter 105 or Section 32.17(a)(7), or an offense relating to prostitution, trafficking of persons, or gambling, in which case the commission or administrator shall determine whether the permittee or licensee may have the opportunity to pay a civil penalty rather than have the permit or license suspended. The commission shall adopt rules addressing when suspension may be imposed pursuant to this section without the opportunity to pay a civil penalty. In adopting rules under this subsection, the commission shall consider the type of license or permit held, the type of violation, any aggravating or ameliorating circumstances concerning the violation, and any past violations of this code by the permittee or licensee. In cases in which a civil penalty is assessed, the commission or administrator shall determine the amount of the penalty. The amount of the civil penalty may not be less than \$150 or more than \$25,000 for each day the permit or license was to have been suspended. If the licensee or permittee does not pay the penalty before the sixth day after the commission or administrator notifies him of the amount, the commission or administrator shall impose the suspension.

(b) In the case of a violation of this code by a permittee or a licensee, the commission or administrator may relax any provision of the code relating to the suspension or cancellation of the permit or license and assess a sanction the commission or administrator finds just under the circumstances, and the commission or administrator may reinstate the license or permit at any time during the period of suspension on payment by the permittee or licensee of a fee of not

less than \$75 nor more than \$500, if the commission or administrator finds that any of the circumstances described in Subsection (c) exists.

(c) The following circumstances justify the application of Subsection (b):

(1) that the violation could not reasonably have been prevented by the permittee or licensee by the exercise of due diligence;

(2) that the permittee or licensee was entrapped;

(3) that an agent, servant, or employee of the permittee or licensee violated this code without the knowledge of the permittee or licensee;

(4) that the permittee or licensee did not knowingly violate this code;

(5) that the permittee or licensee has demonstrated good faith, including the taking of actions to rectify the consequences of the violation and to deter future violations; or

(6) that the violation was a technical one.

(d) Fees and civil penalties received by the commission under this section shall be deposited in the general revenue fund.

(g) No charge of any sort may be made for a sample serving.

(h) A person may be served more than one sample. Samples may not be served to a minor or to an obviously intoxicated person. No samples may be removed from the licensed premises.

(m) The holder of a distiller's or rectifier's permit, distiller's agent's permit, nonresident seller's permit, or manufacturer's agent's permit or that permit holder's agent or employee may participate in and conduct product tastings of alcoholic beverages at a retailer's premises and may open, touch, or pour alcoholic beverages, make a presentation, or answer questions at the tasting. Any alcoholic beverage tasted under this subsection must be purchased from the package store permit holder on whose premises the tasting is held. The permit holder may not require the purchase of more alcoholic beverages than are necessary for the tasting. This section does not authorize the holder of a distiller's or rectifier's permit, distiller's agent's permit, nonresident seller's permit, or manufacturer's agent's permit to withdraw or purchase an alcoholic beverage from the holder of a wholesaler's permit or provide an alcoholic beverage for tasting on a retailer's premises that is not purchased from the retailer.

SUBTITLE B. LICENSES

CHAPTER 61. PROVISIONS GENERALLY APPLICABLE TO LICENSES

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 61.01. LICENSE REQUIRED. No person may manufacture or brew beer for the purpose of sale, import it into this state, distribute or sell it, or possess it for the purpose of sale without having first obtained an appropriate license or permit as provided in this code. Each licensee shall display his license at all times in a conspicuous place at the licensed place of business.

Acts 1977, 65th Leg., p. 460, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 61.02. NATURE OF LICENSE; SUCCESSION ON DEATH, BANKRUPTCY, ETC. (a) A license issued under this code is a purely personal privilege and is subject to revocation as provided in this code. It is not property, is not subject to execution, does not pass by descent or distribution, and ceases on the death of the holder.

(b) On the death of the licensee or of a person having an interest in the license, or on bankruptcy, receivership, or partnership dissolution, the receiver or successor in interest may apply to the county judge of the county where the licensed premises are located for certification that he is the receiver or successor in interest. On certification, unless good cause for refusal is shown, the commission or administrator shall grant permission, by letter or otherwise, for the receiver or successor in interest to operate the business during the unexpired portion of the license. The license may not be renewed, but the receiver or successor in interest may

apply for an original license. A receiver or successor in interest operating for the unexpired portion of the license is subject to the provisions of this code relating to the suspension or cancellation of a license.

Acts 1977, 65th Leg., p. 460, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 61.03. EXPIRATION OR SUSPENSION OF LICENSE. (a) Except as provided by Subsections (d) and (e) or another provision of this code, any license except a branch, importer's, importer's carrier's, or temporary license expires on the second anniversary of the date on which it is issued. Notwithstanding Section 5.50(b), the commission shall require double the amount of fees and surcharges otherwise applicable under this code for a license with a two-year term.

(b) A secondary license which requires the holder of the license to first obtain another license, including a late hours license or temporary license, expires on the same date the basic or primary license expires. The commission may not prorate or refund any part of the fee for the secondary license if the application of this section results in the expiration of the license in less than two years.

(c) An action by the commission resulting in the suspension of a basic or primary license also acts to suspend any secondary license held by the holder of the basic or primary license.

(d) The commission by rule may require that the expiration date for an individual license holder's license is the first anniversary of the date on which the license is issued due to the license holder's violation history.

(e) The commission may issue a license with an expiration date less than two years after the date the license is issued in order to maintain a reasonable annual distribution of renewal application review work and license fees. If the commission issues a license with an expiration date less than two years after the date the license is issued, the commission shall prorate the license fee on a monthly basis so that the license holder pays only that portion of the license fee that is allocable to the number of months during which the license is valid.

Sec. 61.031. NOTIFICATION OF EXPIRED OR SUSPENDED LICENSE. (a) The commission shall verify that the holder of an expired or suspended retail license is not operating in violation of this code. The verification, including any inspection of the premises by commission personnel, must occur within a reasonable time after the date the license expires or is suspended.

(b) The commission shall promptly notify each wholesaler, as that term is ordinarily used and understood in Section 102.01, who regularly supplies retailers in the geographic area that the holder's retail license has expired or has been suspended.

Sec. 61.06. PRIVILEGES LIMITED TO LICENSED PREMISES; DELIVERIES. No person licensed to sell beer, except a manufacturer or distributor, may use or display a license or exercise a privilege granted by the license except at the licensed premises. Deliveries of beer and collections may be made off the licensed premises in areas where the sale of beer is legal inside the county where the license is issued, but only in response to orders placed by the customer in person at the licensed premises or by mail or telephone

to the licensed premises.

Sec. 61.07. AGENT FOR SERVICE. Each manufacturer, distributor, or person shipping or delivering beer into this state shall file a certificate with the secretary of state designating the name, street address, and business of his agent on whom process may be served. If a certificate is not filed, service may be had on the secretary of state in any cause of action arising out of a violation of this code, and the secretary of state shall send any citation served on him by registered mail, return receipt requested, to the person for whom the citation is intended. The receipt is prima facie evidence of service on the person.

Sec. 61.08. STATEMENT OF STOCK OWNERSHIP. Acts 1977, 65th Leg., p. 461, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 61.09. CHANGE OF LOCATION. If a licensee desires to change the licensee's place of business, the licensee may do so by applying to the commission on a form prescribed by the commission and obtaining the commission's consent. The application may be subject to protest and hearing in the same way as an application for an original license. In the case of a required protest hearing, the county judge may deny the application for any cause for which an original license application may be denied. No additional license fee for the unexpired term of the license shall be required in the case of an application for a change of location.

The commission is entitled to receive reimbursement for its expenses in connection with furnishing a master under this subsection. If the county judge finds otherwise, he shall enter an order accordingly.

(b) If the county judge enters an order favorable to the applicant, the applicant shall present a copy of the order to the commission.

(a) On receiving an order from the county judge under Section 61.32(b), the commission or administrator shall issue the appropriate license if the commission or administrator finds that the applicant is entitled to a license. The license shall show the class of business the applicant is authorized to conduct, the amount of fees paid, the address of the place of business, the date the license is issued and the date it expires, and any other information the commission considers proper.

(b) The commission or administrator may refuse to issue a license after receiving the order from the county judge if the commission or administrator possesses information from which it is determined that any statement in the license application is false or misleading or that there is other legal reason why a license should not be issued. (a) If the county judge, commission, or administrator denies an application, the applicant may appeal within 30 days from the date the order becomes final and appealable to the district court of the county where the application was made. The appeal is governed by Section 11.67 of this code, and the court may hear the appeal in termtime or vacation.

(b) If the judgment of the district court is in favor of the applicant, regardless of whether an appeal is taken, the applicant

shall present a copy of the judgment to the commission.

(c) If a license is issued on the basis of a district court judgment and that judgment is reversed on appeal, the mandate of the appellate court automatically invalidates the license and the applicant is entitled to a proportionate refund of fees for the unexpired portion of the license. As much of the proceeds from license fees collected under this subtitle as is necessary may be appropriated for the payment of those refunds.

(d) A person appealing from an order under this section shall give bond for all costs incident to the appeal and shall be required to pay those costs if the judgment on appeal is unfavorable to the applicant, but not otherwise. No bond is required on appeals filed on behalf of the state.

(c) No licensee may obtain a refund on the surrender or nonuse of a license except as provided by this code.

(d) The commissioner may not refund a license fee except when the licensee is prevented from continuing in business by a local option election or when an application for a license is rejected by the commission or administrator. As much of the proceeds from license fees as is necessary may be appropriated for that purpose.

(e) The commission by rule shall establish a method for

transmitting five percent of the license fee to the assessor and collector of taxes of the county in which the applicant's business is located.

Sec. 61.36. LOCAL FEE AUTHORIZED. (a) The governing body of an incorporated city or town may levy and collect a fee not to exceed one-half of the state fee for each license, except a temporary or agent's beer license, issued for premises located within the city or town. A licensee who sells an alcoholic beverage without first having paid a fee levied under this section commits a misdemeanor punishable by a fine of not less than \$10 nor more than \$200.

(c) Nothing in this code shall be construed as a grant to any political subdivision of the authority to regulate licensees except by collecting the fees authorized in this section and exercising those powers granted to political subdivisions by other provisions of this code.

(d) The commission or administrator may cancel or deny a license for the retail sale of alcoholic beverages, including a license held by the holder of a food and beverage certificate, if it finds that the license holder or applicant has not paid delinquent ad valorem taxes due on that licensed premises or due from a business operated on that premises to any taxing authority in the county of the premises. For purposes of this subsection, a license holder or applicant is presumed delinquent in the payment of taxes due if the license holder or applicant:

(1) is placed on a delinquent tax roll prepared under Section 33.03, Tax Code;

(2) has received a notice of delinquency under Section 33.04, Tax Code; and

(3) has not made a payment required under Section 42.08, Tax Code.

(b) The city secretary or clerk of the city in which an application for a license is made shall certify whether the location or address given in the application is in a wet area and whether the sale of alcoholic beverages for which the license is sought is prohibited by charter or ordinance.

(c) Once a license is issued, the certification that the location or address is in a wet area may not be changed until after a subsequent local option election to prohibit the sale of alcoholic beverages.

(d) Notwithstanding any other provision of this code, if the county clerk, city secretary, or city clerk certifies that the location or address given in the application is not in a wet area or refuses to issue the certification required by this section, the applicant is entitled to a hearing before the county judge to contest the certification or refusal to certify. If the commission finds that the licensee has been prevented from complying by causes beyond his reasonable control, it may grant one additional renewal for the licensee to comply with the terms of his sworn statement. CHAPTER 102. INTRA-INDUSTRY RELATIONSHIPS

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 102.01. TIED HOUSE PROHIBITED. (a) In this section, "tied house" means any overlapping ownership or other prohibited relationship between those engaged in the alcoholic beverage industry at different levels, that is, between a manufacturer and a wholesaler or retailer, or between a wholesaler and a retailer, as the words "wholesaler," "retailer," and "manufacturer" are ordinarily used and understood, regardless of the specific names given permits under Subtitle A, Title 3, of this code.

(b) In considering an original or renewal application for a permit issued under Subtitle A, Title 3, of this code, the commission or administrator may make any investigation or request any additional information necessary to enforce this section and to provide strict adherence to a general policy of prohibiting the tied house and related practices. The activities prohibited by this section are unfair competition and unlawful trade practices.

(c) No person having an interest in a permit issued under Subtitle A, Title 3, of this code may secure or hold, directly or indirectly, an ownership interest in the business or corporate stocks, including a stock option, convertible debenture, or similar interest, in a permit or business of a permittee of a different level who maintains licensed premises in Texas.

(d) No person may act or serve as officer, director, or employee of the businesses of permittees at different levels.

(e) No permittee may own the premises, fixtures, or equipment of a permittee of a different level.

(f) No permittee may secure or in any manner obtain the use of any premises, fixtures, or equipment on the credit of a permittee of a different level.

(g) No permittee may loan to, or by means of his credit secure a loan for, a permittee of a different level. If a permittee secures a loan from a source outside the state, there is a presumption of a tied house relationship or subterfuge, and the permittee securing the loan has the burden of showing that he has not violated this section.

(h) No permittee may enter with a permittee of a different

level or with another person or legal entity into a conspiracy or agreement to control or manage, financially or administratively, directly or indirectly, in any form or degree, the business or interests of a permittee of a different level.

(i) No permittee may enter with another permittee into any type of profit-sharing agreement or any agreement relating to the repurchase of any assets or any agreement attempting to effectuate the shipment or delivery of an alcoholic beverage on consignment.

(j) On finding that a person has violated any provision of Subsections (c) through (i) of this section, the commission or administrator shall suspend for not less than six months or cancel the permit of any permittee involved. A person who held or had an interest in a permit cancelled under this subsection is ineligible to hold or have an interest in a permit for one year after the cancellation.

(k) This section does not apply to the application for renewal of a permit held by an applicant who was engaged in the legal alcoholic beverage business in this state under a charter or permit before August 24, 1935, or to an application for a nonresident seller's or wholesaler's permit held by an applicant who continuously has been the holder of a permit of that type since January 1, 1941.

Acts 1977, 65th Leg., p. 498, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 102.02. PROVIDING SAMPLES. Notwithstanding any other provision of this code, the holder of a wholesaler's permit or the holder's agent, representative, or employee may furnish or give a sample of liquor to a holder of a permit authorizing the sale of that category of alcoholic beverage at retail if the retail permittee has not previously purchased that brand from that wholesaler permittee. The wholesaler may give the retail permittee not more than 750 milliliters of any brand of distilled spirits, not more than three liters of any brand of wine in that package, and not more than one six-pack of any other alcoholic beverage so packaged. The retail permittee or the permittee's agent, servant, or employee may sample the product on the licensed premises only if the wholesaler or the wholesaler's agent, servant, or employee is present.

Added by Acts 1993, 73rd Leg., ch. 934, Sec. 64, eff. Sept. 1, 1993.

Sec. 102.03. PERSONS BARRED FROM INTEREST IN PREMISES OF RETAIL LIQUOR OUTLET. (a) This section applies to the holder of a brewer's, distiller's and rectifier's, winery, wholesaler's, class B wholesaler's, or wine bottler's permit.

(b) No holder of a permit named in Subsection (a) of this section may directly or indirectly, or through a subsidiary, affiliate, agent, employee, officer, director, or firm member, own an interest of any kind in the premises where a package store permittee, wine only package store permittee, or mixed beverage permittee conducts his business.

(a) This section applies to any person who has an interest in the business of a distiller-rectifier, brewer, wholesaler, class B wholesaler, winery, wine bottler, or local distributor's permittee. This section also applies to the agent, servant, or employee of a person who has an interest in one of those businesses.

(b) Except as permitted in Section 23.01 of this code, no person to whom this section applies may:

- (1) have a direct or indirect interest in the business, premises, equipment, or fixtures of a mixed beverage establishment;
- (2) furnish or lend any money, service, or other thing of value to a mixed beverage permittee or guarantee the fulfillment of a financial obligation of a mixed beverage permittee;
- (3) enter or offer to enter into an agreement, condition, or system which in effect amounts to the shipment and delivery of alcoholic beverages on consignment;
- (4) furnish, rent, lend, or sell to a mixed beverage permittee any equipment, fixtures, or supplies used in the selling or dispensing of alcoholic beverages;
- (5) pay or make an allowance to a mixed beverage permittee for a special advertising or distributing service, or allow the permittee an excessive discount;

(6) offer to a mixed beverage permittee a prize, premium, or other inducement, except as permitted by Section 102.07(b) of this code; or

(7) advertise in the convention program or sponsor a function at a meeting or convention or a trade association of holders of mixed beverage permits, unless the trade association was incorporated before 1950.

Sec. 102.06. RELATIONSHIP BETWEEN AGENT OR MANUFACTURER'S AGENT AND PACKAGE STORE. No holder of an agent's or manufacturer's agent's permit may directly or indirectly have an interest in a package store permit or wine only package store permit or be residentially domiciled with a person who has a financial interest in a package store permit or wine only package store permit.

Acts 1977, 65th Leg., p. 499, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 102.07. PROHIBITED DEALINGS WITH RETAILER OR CONSUMER.

(a) Except as provided in Subsections (b), (d), and (g), no person who owns or has an interest in the business of a distiller, brewer, rectifier, wholesaler, class B wholesaler, winery, or wine bottler, nor the agent, servant, or employee of such a person, may:

(1) own or have a direct or indirect interest in the business, premises, equipment, or fixtures of a retailer;

(2) furnish, give, or lend any money, service, or thing of

value to a retailer;

(3) guarantee a financial obligation of a retailer;

(4) make or offer to enter an agreement, condition, or system which will in effect amount to the shipment and delivery of alcoholic beverages on consignment;

(5) furnish, give, rent, lend, or sell to a retail dealer any equipment, fixtures, or supplies to be used in selling or dispensing alcoholic beverages, except that alcoholic beverages may be packaged in combination with other items if the package is designed to be delivered intact to the ultimate consumer and the additional items have no value or benefit to the retailer other than that of having the potential of attracting purchases and promoting sales;

(6) pay or make an allowance to a retailer for a special advertising or distribution service;

(7) allow an excessive discount to a retailer; or

(8) offer a prize, premium, gift, or similar inducement to a retailer or to the agent, servant, or employee of a retailer.

(b) A permittee covered by Subsection (a) of this section may furnish to a retailer without cost advertising specialties showing the name of the product advertised. The total value of all advertising specialties for any one brand furnished to a retailer in any one calendar year may not exceed \$78. Not more than once a year, the administrator on the administrator's own motion or on the motion of the permittee may increase or decrease the total amount of advertising specialties permitted under this subsection by not more than six percent based on the consumer price index and previous adjustments, if any. For the purposes of this subsection, "consumer price index" means the annual average over a calendar year of the consumer price index (all items, United States city average) published monthly by the Bureau of Labor Statistics, United States Department of Labor, or its successor in function. Permittees covered by Subsection (a) of this section may not pool or combine their dollar limitations to provide a retailer with advertising specialties valued in excess of the maximum permitted under this subsection.

(d) A permittee covered under Subsection (a) may offer prizes,

premiums, or gifts to a consumer. The use of rebates or coupons redeemable by the public for the purchase of alcoholic beverages is prohibited. The holder of a winery permit may furnish to a retailer without cost recipes, recipe books, book matches, cocktail napkins, or other advertising items showing the name of the winery furnishing the items or the brand name of the product advertised if the individual cost of the items does not exceed \$1.

(e) A permittee covered under Subsection (a) may conduct a sweepstakes promotion. A purchase or entry fee may not be required of any person to enter a sweepstakes event authorized under this subsection. A person affiliated with the alcoholic beverage industry may not receive a prize from a sweepstakes promotion.

(c) A person who engages in a subterfuge by which credit is extended to the purchaser violates this code. Acceptance of a postdated check is not a cash sale, but a valid check or draft

payable on demand may be accepted as cash. If a check or draft is accepted in payment, it must be deposited in the bank for payment or presented for payment within two days after it is received. If the check or draft is dishonored by the drawee, the licensee or permittee who accepted it shall report that fact to the commission within two days after receiving notice of dishonor. (3) "Month" means a calendar month.

(b) No wholesale dealer may sell and no retailer may purchase liquor except for cash or on terms requiring payment by the retailer in accordance with Subsection (c) of this section.

(c) On purchases made from the 1st through 15th day of a month, payment must be made on or before the 25th day of that month. On

(d) Each delivery of liquor shall be accompanied by an invoice giving the date of purchase. If a retailer becomes delinquent in the payment of an account for liquor, the wholesale dealer immediately shall report that fact in writing, including by electronic mail or facsimile transmission, to the commission or administrator. (f) The commission shall adopt rules and regulations to give effect to this section.

Sec. 102.51. SETTING OF TERRITORIAL LIMITS. (a) Each holder of a manufacturer's or nonresident manufacturer's license shall designate territorial limits in this state within which the brands of beer the licensee manufactures may be sold by general, local, or branch distributor's licensees.

(b) Each holder of a general, local, or branch distributor's license shall enter into a written agreement with each manufacturer from which the distributor purchases beer for distribution and sale in this state setting forth the sales territory within which each brand of beer purchased by that distributor may be distributed and sold. No holder of a general, local, or branch distributor's license shall make any sales of any brand of beer outside the sales territory specified in the written agreement. No such agreement shall interfere with the rights of retailers to purchase beer as provided in Section 102.53. A manufacturer may not assign all or any part of the same sales territory to more than one distributor. A copy of the agreement and any amendments to it shall be filed with the administrator.

(c) This Act is promulgated pursuant to the authority of the state under the provisions of the Twenty-first Amendment to the United States Constitution to promote the public interest in the fair, efficient, and competitive distribution of beer, to increase competition in such areas, and to assure product quality control and accountability by allowing manufacturers to assign sales territories within this state.

that a distributor who has purchased beer from another distributor may distribute and sell the beer only within a territory for which the manufacturer of the brand has designated that it may be sold by the general, local, or branch distributor making the purchase.

(b) In determining whether an applicant for or holder of a distributor's license meets the requirement of Subsection (a)(5), the commission or administrator may require the applicant or holder to show that the applicant or holder has or will have:

(1) storage facilities of a sufficient size to store each brand of beer in an amount equal to the demand for the product from all retailers in the holder's or applicant's assigned territory;

(2) an inventory or a commitment to acquire an inventory of each brand of beer in an amount equal to the demand for the brand from all retailers in the holder's or applicant's assigned territory;

(3) a sufficient number of employees to provide the holder or applicant with the ability:

(A) to sell, deliver on a reasonably prompt basis, and promote each brand of beer to all retailers in the holder's or applicant's assigned territory; and

(4) a sufficient number of delivery vehicles and rolling stock to provide the holder or the applicant with the capability of transporting, selling, delivering, or promoting each brand of beer to all retailers in the assigned territory.

(c) The commission or administrator shall refuse to approve an application for a distributor's license or shall refuse to renew a distributor's license if the commission or administrator finds the holder or applicant has failed to comply with any of the requirements of Subsection (a) or (b).

(d) In this section:

(1) "Distributor" means a person who holds a license issued under Chapter 64 or 65.

(2) "Manufacturer" means a person who holds a license issued under Chapter 62, 63, or 74.

(a) This Act is promulgated pursuant to authority of the state under the provisions of the 21st amendment to the United States Constitution to promote the public's interest in the fair, efficient, and competitive distribution of beer within this state by requiring manufacturers and distributors to conduct their business relations so as to assure:

(1) that the beer distributor is free to manage its business enterprise, including the right to independently establish its selling prices; and

(2) that the public, retailers, and manufacturers are served by distributors who will devote their reasonable efforts and resources to the sales and distribution of all the manufacturer's products which the distributor has the right to sell and distribute and maintain satisfactory sales levels in the sales territory assigned the distributor.

(b) This Act shall govern all relations between manufacturers and their distributors, including any renewals or amendments to agreements between them, to the full extent consistent with the constitutions and laws of this state and the United States.

(c) A manufacturer or distributor may cancel, fail to renew, or otherwise terminate an agreement without furnishing any prior notification for any of the following reasons:

(1) in the event of insolvency or bankruptcy or dissolution or liquidation of the other party;

(2) in the event the other party shall make an assignment for the benefit of creditors or similar disposition of substantially

all of the assets of such party's business;

(3) in the event of a conviction or plea of guilty or no contest to a charge of violating a law or regulation or the revocation or suspension of a license or permit for a period of 30 days or more relating to the business and which materially and adversely affects the party's ability to continue in business; or

(3) fix or maintain the price at which a distributor may resell beer;

(4) fail to provide to each distributor of its brands a written contract which embodies the manufacturer's agreement with its distributor;

(5) require any distributor to accept delivery of any beer

or any other item or commodity which shall not have been ordered by the distributor;

(6) adjust the price at which the manufacturer sells beer to a distributor based on the price at which a distributor resells beer to a retailer, but a manufacturer is free to set its own price so long as any price adjustment is based on factors other than a distributor's increase in the price it charges to a retailer and not intended to otherwise coerce illegal behavior under this section; or

(7) accept payment in exchange for an agreement setting forth territorial rights.

(b) Nothing in this section shall interfere with the rights of a manufacturer or distributor to enter into contractual agreements that could be construed as governing ordinary business transactions, including, but not limited to, agreements concerning allowances, rebates, refunds, services, capacity, advertising funds, promotional funds, or sports marketing funds.

the sales territory and market to be served. Upon the death of one of the partners of a partnership operating the business of a distributor, no manufacturer shall deny the surviving partner or partners of such partnership the right to become a successor-in-interest to the agreement between the manufacturer and such partnership. Provided that the survivor has been active in the management of the partnership and/or is otherwise capable of carrying on the business of the partnership.

(b) Notwithstanding the provisions of Subsection (a) of this section, upon the death of a distributor no manufacturer shall deny approval for any transfer of ownership to a surviving spouse or adult child of an owner of a distributor; provided, however, that such subsequent transfers of such ownership by such surviving spouse or adult child shall thereafter be subject to the provisions of Subsection (a) of this section.

In determining fair market value, consideration shall be given to all elements of value, including but not limited to goodwill and going concern value.

(b) In the event that the manufacturer and the distributor are unable to mutually agree on whether or not good cause exists for cancellation under Section 102.74 of this code or on the reasonable compensation to be paid for the value of the distributor's business, as defined herein, the matter may, at the option of either the distributor or manufacturer, be submitted to three arbitrators, one of whom shall be named in writing by each party and the third of whom shall be chosen by the two arbiters so selected. Should the arbiters selected fail to choose a third arbiter within 10 days, a judge of a

district court in the county in which the distributor's principal place of business is located shall select the third arbiter. Arbitration shall be conducted in accordance with the Texas General Arbitration Act, as amended (Article 224, Revised Civil Statutes of Texas, 1925). Arbitration costs shall be paid one-half by the distributor and one-half by the manufacturer. The award of the arbitrators shall be binding on the parties unless appealed within 10 days from the date of the award. All proceedings on appeal shall be in accordance with and governed by the Texas General Arbitration Act, as amended (Article 224, Revised Civil Statutes of Texas, 1925).

(b) In any action under Subsection (a) of this section, the court may grant such relief as the court determines is necessary or appropriate considering the purposes of this Act.

(c) The prevailing party in any action under Subsection (a) of this section shall be entitled to actual damages, including the value of the distributor's business, as specified in Section 102.77 of this code, reasonable attorney's fees, and court costs.

(d) If the state proves that the vehicle was used to transport

an illicit beverage and that all intervenors, if any, knowingly violated some provision of this code, the court shall render judgment forfeiting the vehicle to the state.

(e) If the state proves that the vehicle was used to transport an illicit beverage but fails to prove that any intervenor knowingly violated some provision of this code, the court shall render judgment delivering possession of the vehicle to the innocent intervenor with the highest priority to possession of the vehicle.

ordered under Section 106.071(d).

(b-2) For purposes of Subsection (b-1), if the defendant is enrolled in an institution of higher education located in a county in which access to an alcohol awareness program is readily available, the court may consider the defendant to be a resident of that county. If the defendant is not enrolled in such an institution of higher education or if the court does not consider the defendant to be a resident of the county in which the institution is located, the defendant's residence is the residence listed on the defendant's driver's license or personal identification certificate issued by the Department of Public Safety. If the defendant does not have a driver's license or personal identification certificate issued by the Department of Public Safety, the defendant's residence is the residence on the defendant's voter registration certificate. If the defendant is not registered to vote, the defendant's residence is the residence on file with the public school district on which the defendant's enrollment is based. If the defendant is not enrolled in public school, the defendant's residence is determined as provided by commission rule.

Text of subsection effective until September 1, 2017

(b-3) The Department of State Health Services shall create a list of community services related to alcohol abuse prevention or treatment in each county in the state to which a judge may sentence a defendant under Subsection (b-1).

Text of subsection effective on September 1, 2017

(b-3) The Texas Department of Licensing and Regulation shall create a list of community services related to alcohol abuse prevention or treatment in each county in the state to which a judge may sentence a defendant under Subsection (b-1).

(c) The court shall require the defendant to present to the court, within 90 days of the date of final conviction, evidence in the form prescribed by the court that the defendant, as ordered by the court, has satisfactorily completed an alcohol awareness program or performed the required hours of community service. For good cause the court may extend this period by not more than 90 days. If the defendant presents the required evidence within the prescribed period, the court may reduce the assessed fine to an amount equal to no less than one-half of the amount of the initial fine.

(d) If the defendant does not present the required evidence

within the prescribed period, the court:

(1) shall order the Department of Public Safety to:

(A) suspend the defendant's driver's license or permit for a period not to exceed six months or, if the defendant does not have a license or permit, to deny the issuance of a license or permit to the defendant for that period; or

(B) if the defendant has been previously convicted of an offense under one or more of the sections listed in Subsection (a), suspend the defendant's driver's license or permit for a period not to exceed one year or, if the defendant does not have a license or permit, to deny the issuance of a license or permit to the defendant for that period; and

(2) may order the defendant or the parent, managing conservator, or guardian of the defendant to do any act or refrain from doing any act if the court determines that doing the act or refraining from doing the act will increase the likelihood that the defendant will present evidence to the court that the defendant has satisfactorily completed an alcohol awareness program or performed the required hours of community service.

(e) The Department of Public Safety shall send notice of the suspension or prohibition order issued under Subsection (d) by first class mail to the defendant. The notice must include the date of the suspension or prohibition order, the reason for the suspension or prohibition, and the period covered by the suspension or prohibition.

the opportunity to pay a civil penalty rather than be subject to suspension under this subsection. Sections 11.62 through 11.67 apply to the program approval or certification as if the program approval or certification were a license or permit under this code.

Sec. 251.74. AIRPORT AND STADIUM AS WET AREAS. (a) This section applies to any county:

(1) that has a population of more than 240,000, according to the most recent federal census;

(2) in which the sale of all alcoholic beverages has been legalized in all or any part of the county; and

(3) where, at the general election on November 3, 1970, the voters approved the constitutional amendment authorizing the sale of mixed beverages on a local option basis.

(b) In a county covered by this section, the commissioners court may designate as an area wet for the sale of mixed beverages only:

(1) the area encompassed by the building structure of a professional sports stadium, used wholly or partly for professional sporting events and having a seating capacity of at least 40,000, and not more than 125 acres of adjacent land used for the benefit of the stadium, regardless of ownership of the land, if no registered voters reside there; and

(2) the area encompassed by a regional airport.

(c) The order of the commissioners court authorizes the issuance of a mixed beverage permit.

Acts 1977, 65th Leg., p. 555, ch. 194, Sec. 1, eff. Sept. 1, 1977. Amended by Acts 1983, 68th Leg., p. 1324, ch. 276, Sec. 1, eff. Aug. 29, 1983.

Sec. 251.741. CERTAIN AIRPORTS AS WET AREAS. In addition to those areas declared wet by order of the commissioners court under the authority of Section 251.74 of this code, in a county with a population of more than 175,000 according to the most recent federal census where the sale of mixed beverages only is legalized in the most populous city in the county by a local option election held after May 18, 1971, the area actually encompassed by any municipal airport under the jurisdiction of that city is wet for the sale of mixed beverages only. Subsequent local option elections held by that city do not affect the local option status of the airport unless the result of the election prohibits the sale of mixed beverages, in which case the provisions of this section do not apply.

Added by Acts 1977, 65th Leg., p. 1184, ch. 453, Sec. 14, eff. Sept. 1, 1977.

Sec. 251.75. CONTINUANCE OF OPERATION AS MANUFACTURER OR BREWER. Notwithstanding any other provision of this code, if the sale of beer or ale is prohibited in an area by a local option election, a holder of a manufacturer's license or brewer's permit that was issued prior to the election may not be denied an original or renewal manufacturer's license or brewer's permit for the same location on the ground that the local option status of the area prohibits the sale of beer or ale. Except for the right to sell beer or ale contrary to the local option status of the area, the licensee or permittee may engage in all activities authorized by the license or permit, including the manufacturing, brewing, possessing, storing, and packaging of beer or ale, and transporting it to an area where its sale is legal. The licensee or permittee may deliver beer or ale at his licensed premises to a purchaser from outside the state, an authorized carrier, distributor, or class B wholesaler. The purchaser, carrier, distributor, or class B wholesaler may not

receive the beer or ale for transportation unless there has first been an order, acceptance, and payment or legal satisfaction of payment in an area where the sale of beer or ale is legal.

Acts 1977, 65th Leg., p. 556, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 251.76. CONTINUANCE OF OPERATION AS DISTILLER AND RECTIFIER. Notwithstanding any other provision of this code, a person who has been issued a distiller's and rectifier's permit may not subsequently be denied an original or renewal distiller's and rectifier's permit for the same location on the ground that the sale of distilled spirits has been prohibited in the area by a local option election. A person holding a permit at the time of the election or issued a permit under this section may exercise all privileges granted by this code to the holder of a distiller's and rectifier's permit, including the manufacturing, possessing, storing, packaging, and bottling of distilled spirits and the transportation of them to areas in which their sale is legal.

(a) Notwithstanding any other provision of this code, if the sale of beer is prohibited by local option election, a licensed distributor of beer whose warehouse or other facilities used in connection with the distributorship are located in the area affected, has the right to continue to operate as a distributor in that area and maintain the necessary premises and facilities for distribution. The distributor continues to enjoy all the rights and privileges incident to distributorship, including the right to possess, store, warehouse, and sell beer in that area, and deliver beer into and out of that area.

(b) A distributor in the area affected may sell or deliver beer only to licensed outlets located where the sale of beer is legal.

Acts 1977, 65th Leg., p. 556, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 251.78. CONTINUANCE OF OPERATION AS WHOLESALER. (a) Notwithstanding any other provision of this code, if the sale of the type or types of liquor authorized to be sold by the holder of a wholesaler's permit whose warehouse or other facility used in connection with the wholesale operation is prohibited in an area by local option election, the holder of the wholesaler's permit shall have the right to continue to operate as a wholesaler in that area and maintain the necessary premises and facilities for the wholesale operation. The wholesaler shall enjoy all the rights and privileges incident to the permit, including the right to possess, store, warehouse, sell, deliver, and receive liquor.

(b) A wholesaler in the area affected may only sell or deliver liquor to permittees located where the sale of liquor is legal.

Notwithstanding any other provision of this code, a wholesaler's permit, general class B wholesaler's permit, local class B wholesaler's permit, or general, local or branch distributor's license may be issued and licensed premises maintained in any area where the sale of any alcoholic beverage is legal. A person issued a permit or license under this section may exercise all rights and privileges of other permittees and licensees of the same class.

Acts 1977, 65th Leg., p. 557, ch. 194, Sec. 1, eff. Sept. 1, 1977.

Sec. 251.80. CHANGE IN PRECINCT BOUNDARIES. (a) A local option election held in a justice precinct shall be held in the territory comprising the justice precinct at the time the election is held. If a justice precinct has established a local option status as a result of a previous local option election in the justice precinct, such status shall remain in effect until the status is changed as the result of a subsequent local option election in the precinct. If the boundaries of the justice precinct have changed since such status was established, a subsequent local option election will only change the local option status in the territory that is part of the justice precinct on the date of the subsequent local option election.

(a-1) For purposes of a local option election, a newly created justice precinct shall be considered to have not held a local option election on the sale of alcoholic beverages. Any local option status established in the territory comprising the new justice precinct that resulted from a local option election held in the territory when the territory was part of another justice precinct remains in effect until that status is changed by a local option election held in the new justice precinct.

(b) Nothing in this section is intended to affect the operation of Section 251.73 of this code.
