(4) "Personal property" means property that is not real property.

Sec. 1.085. COMMUNICATION IN ELECTRONIC FORMAT.

(a) Notwithstanding any other provision in this title and except as provided by this section, any notice, rendition, application form, or completed application that is required or permitted by this title to be delivered between a chief appraiser, an appraisal district, an appraisal review board, or any combination of those persons and a property owner or between a chief appraiser, an appraisal district, an appraisal review board, or any combination of those persons and a person designated by a property owner under Section 1.111(f) may be delivered in an electronic format if the chief appraiser and the property owner or person designated by the owner agree under this section.

(b) An agreement between a chief appraiser and a property owner, or the person designated by the owner under Section 1.111(f), must:

(1) be in writing or in an electronic form;

(2) be signed by the chief appraiser;

(3) be signed by the property owner or person designated by the owner in a form acceptable to the chief appraiser; and

(4) specify:

(A) the medium of communication;

(B) the type of communication covered;

(C) the means for protecting the security of a communication;

(D) the means for confirming delivery of a communication; and

(E) the electronic mail address of the property owner or person designated by the property owner, as applicable.

(c) An agreement may address other matters.

(d) Unless otherwise provided by an agreement, the delivery of any information in an electronic format is effective on receipt by a chief appraiser, an appraisal district, an appraisal review board, a property owner, or a person designated by a property owner. An agreement entered into under this section remains in effect until rescinded in writing by the property owner or person designated by the owner.

(e) The comptroller by rule:

(1) shall prescribe acceptable media, formats, content, and methods for the electronic transmission of notices required by Section 25.19; and

(2) may prescribe acceptable media, formats, content, and methods for the electronic transmission of other notices, renditions, and applications.

(f) In an agreement entered into under this section, a chief appraiser may select the medium, format, content, and method to be used by the appraisal district from among those prescribed by the comptroller under Subsection (e). If the comptroller has not prescribed the media, format, content, and method applicable to the

communication, the chief appraiser may determine the medium, format, content, and method to be used.

(g) Notwithstanding Subsection (a), if a property owner whose property is included in 25 or more accounts in the appraisal records of the appraisal district requests the chief appraiser to enter into an agreement for the delivery of the notice required by Section 25.19 in an electronic format, the chief appraiser must enter into an agreement under this section for that purpose if the appraisal district is located in a county that has a population of more than 200,000. If the chief appraiser must enter into an agreement under this subsection, the chief appraiser shall deliver the notice in accordance with an electronic medium, format, content, and method prescribed by the comptroller under Subsection (e). If the comptroller has not prescribed the media, format, content, and method applicable to the notice, the chief appraiser may determine the medium, format, content, and method to be used.

(h) This subsection applies to the chief appraiser of an appraisal district only if the appraisal district is located in a county described by Subsection (g) or the chief appraiser has decided to authorize electronic communication under this section and the appraisal district has implemented a system that allows such communication. The chief appraiser shall provide notice regarding the availability of agreement forms authorizing electronic communication under this section. The chief appraiser shall provide the notice by:

(1) publishing a notice in a newspaper having general circulation in the district at least once on or before February 1 of each year that includes the words "Notice of Availability of Electronic Communications"; or

(2) delivering the agreement form on or before February 1, or as soon as practicable after that date, to each owner of property shown on the certified appraisal roll for the preceding tax year and on or before February 1 of each subsequent year, or as soon as practicable after that date, to each new owner of property shown on the certified appraisal roll for the preceding tax year.

(i) A property owner or a person designated by the property owner who enters into an agreement under this section that has not

been rescinded shall notify the appraisal district of a change in the electronic mail address specified in the agreement before the first April 1 that occurs following the change. If notification is not received by the appraisal district before that date, until notification is received, any notices delivered under the agreement to the property owner or person designated by the owner are considered to be timely delivered.

(j) An electronic signature that is included in any notice, rendition, application form, or completed application subject to an agreement under this section and that is required by Chapters 11, 22, 23, 24, 25, 26, and 41 shall be considered to be a digital signature for purposes of Section 2054.060, Government Code, and that section applies to the electronic signature.

(k) Unless the chief appraiser is required to enter an agreement under this section, a decision by the chief appraiser not to enter into an agreement under this section may not be reviewed by the appraisal review board or be the subject of:

- (1) a suit to compel;
- (2) a protest under Section 41.41;
- (3) an appeal under Chapter 42; or
- (4) a complaint under Chapter 1151, Occupations Code.

(l) Unless the chief appraiser and the property owner or person designated by the owner agree otherwise under Subsection (b), the chief appraiser, appraisal district, or appraisal review board shall deliver a notice electronically in a manner that allows for confirmation of receipt by the property owner or the person designated by the owner, such as electronic mail. If confirmation of receipt is not received by the 30th day following the date the electronic notice is delivered, the chief appraiser, appraisal district, or appraisal review board, as applicable, shall deliver the notice to the property owner or the person designated by the owner in the manner provided by Section 1.07.

Sec. 1.10. ROLLS IN ELECTRONIC DATA-PROCESSING RECORDS. (b) To be effective, a request made under this section must be filed with the appraisal district. A request remains in effect until revoked by a written revocation filed with the appraisal district by the owner or the owner's designated agent.

Sec. 1.111. REPRESENTATION OF PROPERTY OWNER. (a) A property owner may designate a lessee or other person to act as the agent of the owner for any purpose under this title in connection with the property or the property owner.

(a-1) A lessee designated by a property owner as the owner's agent under Subsection (a) may, subject to the property owner's approval, designate a person to act as the lessee's agent for any purpose under this title for which the lessee is authorized to act on behalf of the owner in connection with the owner or the owner's property. An agent designated by a lessee under this subsection has the same authority and is subject to the same limitations as an agent designated by a property owner under Subsection (a).

(b) The designation of an agent must be made by written authorization on a form prescribed by the comptroller under Subsection (h) and signed by the owner, a property manager authorized to designate agents for the owner, or another person authorized to act on behalf of the owner other than the person being designated as agent, and must clearly indicate that the person is authorized to act on behalf of the property owner in property tax matters relating to the property or the property owner. The designation may authorize the agent to represent the owner in all property tax matters or in specific property tax matters as identified in the designation. The designation does not take effect with respect to an appraisal district or a taxing unit participating in the appraisal district until a copy of the designation is filed with the appraisal district. Each appraisal district established for a county having a population of 500,000 or more shall implement a system that allows a designation to be signed and filed electronically.

(c) The designation of an agent under this section remains in effect until revoked in a written revocation filed with the

appraisal district by the property owner or designated agent. The designated agent revoking the designation must send notice of the revocation by certified mail to the property owner at the owner's last known address. A designation may be made to expire according to its own terms but is still subject to prior revocation by the property owner or designated agent.

(d) A property owner may not designate more than one agent to represent the property owner in connection with an item of property. The designation of an agent in connection with an item of property revokes any previous designation of an agent in connection with that item of property.

(e) An agreement between a property owner or the owner's agent and the chief appraiser is final if the agreement relates to a matter:

(1) which may be protested to the appraisal review board or on which a protest has been filed but not determined by the board; or

(2) which may be corrected under Section 25.25 or on which a motion for correction under that section has been filed but not determined by the board.

(f) A property owner in writing filed with the appraisal district may direct the appraisal district, appraisal review board, and each taxing unit participating in the appraisal district to deliver all notices, tax bills, orders, and other communications relating to one or more specified items of the owner's property to a specified person instead of to the property owner. The instrument must clearly identify the person by name and give the person's address to which all notices, tax bills, orders, and other communications are to be delivered. The property owner may but is not required to designate the person's agent for other tax matters designated under Subsection (a) as the person to receive all notices, tax bills, orders, and other communications. The designation of an agent for other tax matters under Subsection (a) may also provide that the agent is the person to whom notices, tax bills, orders, and other communications are to be delivered under this subsection.

(g) An appraisal district, appraisal review board, or

taxing unit may not require a person to designate an agent to represent the person in a property tax matter other than as provided by this section.

(h) The comptroller shall prescribe forms and adopt rules to facilitate compliance with this section. The comptroller shall include on any form used for designation of an agent for a single-family residential property in which the property owner resides the following statement in boldfaced type:

"In some cases, you may want to contact your appraisal district or other local taxing units for free information and/or forms concerning your case before designating an agent."

(i) An appraisal review board shall accept and consider a motion or protest filed by an agent of a property owner if an agency authorization is filed at or before the hearing on the motion or protest.

(j) An individual exempt from registration as a property tax consultant under Section [1152.002](#), Occupations Code, who is not supervised, directed, or compensated by a person required to register as a property tax consultant under that chapter and who files a protest with the appraisal review board on behalf of the property owner is entitled to receive all notices from the appraisal district and appraisal review board regarding the property subject to the protest until the authority is revoked by the property owner as provided by this section. An individual to which this subsection applies who is not designated by the property owner to receive notices, tax bills, orders, and other communications as provided by Subsection (f) or Section 1.11 shall file a statement with the protest that includes:

- (1) the individual's name and address;
- (2) a statement that the individual is acting on behalf of the property owner; and
- (3) a statement of the basis for the individual's exemption from registration under Section [1152.002](#), Occupations Code.

(k) On written request by the chief appraiser, an agent who electronically submits a designation of agent form shall provide the chief appraiser information concerning:

(1) the electronic signature of the person who signed the form;

(2) the date the person signed the form; and

(3) the Internet Protocol address of the computer the person used to complete the form.

(1) A person may not knowingly make a false entry in, or false alteration of, a designation of agent form that has been signed as provided by Subsection (b).
