if:

(A) the work and material are contracted for in writing, with the consent of both spouses, in the case of a family homestead, given in the same manner as is required in making a sale and conveyance of the homestead;

(B) the contract for the work and material is not executed by the owner or the owner's spouse before the fifth day after the owner makes written application for any extension of credit for the work and material, unless the work and material are necessary to complete immediate repairs to conditions on the homestead property that materially affect the health or safety of the owner or person residing in the homestead and the owner of the homestead acknowledges such in writing;

(C) the contract for the work and material expressly provides that the owner may rescind the contract without penalty or charge within three days after the execution of the contract by all parties, unless the work and material are necessary to complete immediate repairs to conditions on the homestead property that materially affect the health or safety of the owner or person residing in the homestead and the owner of the homestead acknowledges such in writing; and

(D) the contract for the work and material is executed by the owner and the owner's spouse only at the office of a third-party lender making an extension of credit for the work and material, an attorney at law, or a title company;

(6) an extension of credit that:

(A) is secured by a voluntary lien on the homestead created under a written agreement with the consent of each owner and each owner's spouse;

(B) is of a principal amount that when added to the aggregate total of the outstanding principal balances of all other indebtedness secured by valid encumbrances of record against the homestead does not exceed 80 percent of the fair market value of the homestead on the date the extension of credit is made;

(C) is without recourse for personal liability against each owner and the spouse of each owner, unless the owner or spouse obtained the extension of credit by actual fraud;

(D) is secured by a lien that may be foreclosed upon only by a court order;

(E) does not require the owner or the owner's spouse to pay, in addition to any interest, fees to any person that are necessary to originate, evaluate, maintain, record, insure, or service the extension of credit that exceed, in the aggregate, three percent of the original principal amount of the extension of credit;

(F) is not a form of open-end account that may be debited from time to time or under which credit may be extended from time to time unless the open-end account is a home equity line of credit;

(G) is payable in advance without penalty or other charge;

(H) is not secured by any additional real or personal property other than the homestead;

(I) is not secured by homestead property that on the date of closing is designated for agricultural use as provided by statutes governing property tax, unless such homestead property is used primarily for the production of milk;

(J) may not be accelerated because of a decrease in the market value of the homestead or because of the owner's default under other indebtedness not secured by a prior valid encumbrance against the homestead;

(K) is the only debt secured by the homestead at the time the extension of credit is made unless the other debt was made for a purpose described by Subsections (a)(1)-(a)(5) or Subsection (a)(8) of this section;

(L) is scheduled to be repaid:

(i) in substantially equal successive periodic installments, not more often than every 14 days and not less often than monthly, beginning no later than two months from the date the extension of credit is made, each of which equals or exceeds the amount of accrued interest as of the date of the scheduled installment; or

(ii) if the extension of credit is a home equity line of credit, in periodic payments described under

Subsection (t)(8) of this section;

(M) is closed not before:

(i) the 12th day after the later of the date that the owner of the homestead submits a loan application to the lender for the extension of credit or the date that the lender provides the owner a copy of the notice prescribed by Subsection (g) of this section;

(ii) one business day after the date that the owner of the homestead receives a copy of the loan application if not previously provided and a final itemized disclosure of the actual fees, points, interest, costs, and charges that will be charged at closing. If a bona fide emergency or another good cause exists and the lender obtains the written consent of the owner, the lender may provide the documentation to the owner or the lender may modify previously provided documentation on the date of closing; and

(iii) the first anniversary of the closing date of any other extension of credit described by Subsection (a)(6) of this section secured by the same homestead property, except a refinance described by Paragraph (Q)(x)(f) of this subdivision, unless the owner on oath requests an earlier closing due to a state of emergency that:

(a) has been declared by the president of the United States or the governor as provided by law; and

(b) applies to the area where the homestead is located;

(N) is closed only at the office of the lender, an attorney at law, or a title company;

(O) permits a lender to contract for and receive any fixed or variable rate of interest authorized under statute;

(P) is made by one of the following that has not been found by a federal regulatory agency to have engaged in the practice of refusing to make loans because the applicants for the loans reside or the property proposed to secure the loans is located in a certain area:

(i) a bank, savings and loan association, savings bank, or credit union doing business under the laws of this

state or the United States;

(ii) a federally chartered lending instrumentality or a person approved as a mortgagee by the United States government to make federally insured loans;

(iv) a person who sold the homestead property to the current owner and who provided all or part of the financing for the purchase;

(v) a person who is related to the homestead property owner within the second degree of affinity or consanguinity; or

(vi) a person regulated by this state as a mortgage broker; and

(Q) is made on the condition that:

(i) the owner of the homestead is not required to apply the proceeds of the extension of credit to repay another debt except debt secured by the homestead or debt to another lender;

(ii) the owner of the homestead not assign wages as security for the extension of credit;

(iii) the owner of the homestead not sign any instrument in which blanks relating to substantive terms of agreement are left to be filled in;

(iv) the owner of the homestead not sign a confession of judgment or power of attorney to the lender or to a third person to confess judgment or to appear for the owner in a judicial proceeding;

(v) at the time the extension of credit is made, the owner of the homestead shall receive a copy of the final loan application and all executed documents signed by the owner at closing related to the extension of credit;

(vi) the security instruments securing the extension of credit contain a disclosure that the extension of credit is the type of credit defined by Section 50(a)(6), Article XVI, Texas Constitution;

(vii) within a reasonable time after

termination and full payment of the extension of credit, the lender cancel and return the promissory note to the owner of the homestead and give the owner, in recordable form, a release of the lien securing the extension of credit or a copy of an endorsement and assignment of the lien to a lender that is refinancing the extension of credit;

(viii) the owner of the homestead and any spouse of the owner may, within three days after the extension of credit is made, rescind the extension of credit without penalty or charge;

(ix) the owner of the homestead and the lender sign a written acknowledgment as to the fair market value of the homestead property on the date the extension of credit is made;

(x) except as provided by Subparagraph (xi) of this paragraph, the lender or any holder of the note for the extension of credit shall forfeit all principal and interest of the extension of credit if the lender or holder fails to comply with the lender's or holder's obligations under the extension of credit and fails to correct the failure to comply not later than the 60th day after the date the lender or holder is notified by the borrower of the lender's failure to comply by:

(a) paying to the owner an amount equal to any overcharge paid by the owner under or related to the extension of credit if the owner has paid an amount that exceeds an amount stated in the applicable Paragraph (E), (G), or (O) of this subdivision;

(b) sending the owner a written acknowledgement that the lien is valid only in the amount that the extension of credit does not exceed the percentage described by Paragraph (B) of this subdivision, if applicable, or is not secured by property described under Paragraph (H) or (I) of this subdivision, if applicable;

(c) sending the owner a written notice modifying any other amount, percentage, term, or other provision prohibited by this section to a permitted amount, percentage, term, or other provision and adjusting the account of the borrower to ensure that the borrower is not required to pay more than an amount

permitted by this section and is not subject to any other term or provision prohibited by this section;

(d) delivering the required documents to the borrower if the lender fails to comply with Subparagraph (v) of this paragraph or obtaining the appropriate signatures if the lender fails to comply with Subparagraph (ix) of this paragraph;

(e) sending the owner a written acknowledgement, if the failure to comply is prohibited by Paragraph (K) of this subdivision, that the accrual of interest and all of the owner's obligations under the extension of credit are abated while any prior lien prohibited under Paragraph (K) remains secured by the homestead; or

(f) if the failure to comply cannot be cured under Subparagraphs (x)(a)-(e) of this paragraph, curing the failure to comply by a refund or credit to the owner of \$1,000 and offering the owner the right to refinance the extension of credit with the lender or holder for the remaining term of the loan at no cost to the owner on the same terms, including interest, as the original extension of credit with any modifications necessary to comply with this section or on terms on which the owner and the lender or holder otherwise agree that comply with this section; and

(xi) the lender or any holder of the note for the extension of credit shall forfeit all principal and interest of the extension of credit if the extension of credit is made by a person other than a person described under Paragraph (P) of this subdivision or if the lien was not created under a written agreement with the consent of each owner and each owner's spouse, unless each owner and each owner's spouse who did not initially consent subsequently consents;

(7) a reverse mortgage; or

(8) the conversion and refinance of a personal property lien secured by a manufactured home to a lien on real property, including the refinance of the purchase price of the manufactured home, the cost of installing the manufactured home on the real property, and the refinance of the purchase price of the real property.

(b) An owner or claimant of the property claimed as

homestead may not sell or abandon the homestead without the consent of each owner and the spouse of each owner, given in such manner as may be prescribed by law.

(c) No mortgage, trust deed, or other lien on the homestead shall ever be valid unless it secures a debt described by this section, whether such mortgage, trust deed, or other lien, shall have been created by the owner alone, or together with his or her spouse, in case the owner is married. All pretended sales of the homestead involving any condition of defeasance shall be void.

(d) A purchaser or lender for value without actual knowledge may conclusively rely on an affidavit that designates other property as the homestead of the affiant and that states that the property to be conveyed or encumbered is not the homestead of the affiant.

(e) A refinance of debt secured by a homestead and described by any subsection under Subsections (a)(1)-(a)(5) that includes the advance of additional funds may not be secured by a valid lien against the homestead unless:

(1) the refinance of the debt is an extension of credit described by Subsection (a)(6) of this section; or

(2) the advance of all the additional funds is for reasonable costs necessary to refinance such debt or for a purpose described by Subsection (a)(2), (a)(3), or (a)(5) of this section.

(f) A refinance of debt secured by the homestead, any portion of which is an extension of credit described by Subsection (a)(6) of this section, may not be secured by a valid lien against the homestead unless the refinance of the debt is an extension of credit described by Subsection (a)(6) or (a)(7) of this section.

(g) An extension of credit described by Subsection (a)(6) of this section may be secured by a valid lien against homestead property if the extension of credit is not closed before the 12th day after the lender provides the owner with the following written notice on a separate instrument:

If the discussions with the borrower are conducted primarily in a language other than English, the lender shall, before closing, provide an additional copy of the notice translated into the written language in which the discussions were conducted.

(h) A lender or assignee for value may conclusively rely on the written acknowledgment as to the fair market value of the homestead property made in accordance with Subsection (a)(6)(Q)(ix) of this section if:

(1) the value acknowledged to is the value estimate in an appraisal or evaluation prepared in accordance with a state or federal requirement applicable to an extension of credit under Subsection (a)(6); and

(2) the lender or assignee does not have actual knowledge at the time of the payment of value or advance of funds by the lender or assignee that the fair market value stated in the written acknowledgment was incorrect.

(i) This subsection shall not affect or impair any right of the borrower to recover damages from the lender or assignee under applicable law for wrongful foreclosure. A purchaser for value without actual knowledge may conclusively presume that a lien securing an extension of credit described by Subsection (a)(6) of this section was a valid lien securing the extension of credit with homestead property if:

(1) the security instruments securing the extension of credit contain a disclosure that the extension of credit secured by the lien was the type of credit defined by Section 50(a)(6), Article XVI, Texas Constitution;

(2) the purchaser acquires the title to the property pursuant to or after the foreclosure of the voluntary lien; and

(3) the purchaser is not the lender or assignee under the extension of credit.

(j) Subsection (a)(6) and Subsections (e)-(i) of this section are not severable, and none of those provisions would have been enacted without the others. If any of those provisions are held to be preempted by the laws of the United States, all of those provisions are invalid. This subsection shall not apply to any lien or extension of credit made after January 1, 1998, and before the date any provision under Subsection (a)(6) or Subsections (e)-(i) is held to be preempted.

(k) "Reverse mortgage" means an extension of credit:

(1) that is secured by a voluntary lien on homestead

property created by a written agreement with the consent of each owner and each owner's spouse;

(2) that is made to a person who is or whose spouse is 62 years or older;

(3) that is made without recourse for personal liability against each owner and the spouse of each owner;

(4) under which advances are provided to a borrower based on the equity in a borrower's homestead;

(5) that does not permit the lender to reduce the amount or number of advances because of an adjustment in the interest rate if periodic advances are to be made;

(6) that requires no payment of principal or interest until:

(A) all borrowers have died;

(B) the homestead property securing the loan is sold or otherwise transferred;

(C) all borrowers cease occupying the homestead property for a period of longer than 12 consecutive months without prior written approval from the lender; or

(D) the borrower:

(i) defaults on an obligation specified in the loan documents to repair and maintain, pay taxes and assessments on, or insure the homestead property;

(ii) commits actual fraud in connection with the loan; or

(iii) fails to maintain the priority of the lender's lien on the homestead property, after the lender gives notice to the borrower, by promptly discharging any lien that has priority or may obtain priority over the lender's lien within 10 days after the date the borrower receives the notice, unless the borrower:

(a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to the lender;

(b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings so as to prevent the enforcement of the lien or

forfeiture of any part of the homestead property; or

(c) secures from the holder of the lien an agreement satisfactory to the lender subordinating the lien to all amounts secured by the lender's lien on the homestead property;

(7) that provides that if the lender fails to make loan advances as required in the loan documents and if the lender fails to cure the default as required in the loan documents after notice from the borrower, the lender forfeits all principal and interest of the reverse mortgage, provided, however, that this subdivision does not apply when a governmental agency or instrumentality takes an assignment of the loan in order to cure the default;

(8) that is not made unless the owner of the homestead attests in writing that the owner received counseling regarding the advisability and availability of reverse mortgages and other financial alternatives;

(9) that requires the lender, at the time the loan is made, to disclose to the borrower by written notice the specific provisions contained in Subdivision (6) of this subsection under which the borrower is required to repay the loan;

(10) that does not permit the lender to commence foreclosure until the lender gives notice to the borrower, in the manner provided for a notice by mail related to the foreclosure of liens under Subsection (a)(6) of this section, that a ground for foreclosure exists and gives the borrower at least 30 days, or at least 20 days in the event of a default under Subdivision (6)(D)(iii) of this subsection, to:

(A) remedy the condition creating the ground for foreclosure;

(B) pay the debt secured by the homestead property from proceeds of the sale of the homestead property by the borrower or from any other sources; or

(C) convey the homestead property to the lender by a deed in lieu of foreclosure; and

(11) that is secured by a lien that may be foreclosed upon only by a court order, if the foreclosure is for a ground other than a ground stated by Subdivision (6)(A) or (B) of this

subsection.

(l) Advances made under a reverse mortgage and interest on those advances have priority over a lien filed for record in the real property records in the county where the homestead property is located after the reverse mortgage is filed for record in the real property records of that county.

(m) A reverse mortgage may provide for an interest rate that is fixed or adjustable and may also provide for interest that is contingent on appreciation in the fair market value of the homestead property. Although payment of principal or interest shall not be required under a reverse mortgage until the entire loan becomes due and payable, interest may accrue and be compounded during the term of the loan as provided by the reverse mortgage loan agreement.

(n) A reverse mortgage that is secured by a valid lien against homestead property may be made or acquired without regard to the following provisions of any other law of this state:

(1) a limitation on the purpose and use of future advances or other mortgage proceeds;

(2) a limitation on future advances to a term of years or a limitation on the term of open-end account advances;

(3) a limitation on the term during which future advances take priority over intervening advances;

(4) a requirement that a maximum loan amount be stated in the reverse mortgage loan documents;

(5) a prohibition on balloon payments;

(6) a prohibition on compound interest and interest on interest;

(7) a prohibition on contracting for, charging, or receiving any rate of interest authorized by any law of this state authorizing a lender to contract for a rate of interest; and

(8) a requirement that a percentage of the reverse mortgage proceeds be advanced before the assignment of the reverse mortgage.

(o) For the purposes of determining eligibility under any statute relating to payments, allowances, benefits, or services provided on a means-tested basis by this state, including

supplemental security income, low-income energy assistance, property tax relief, medical assistance, and general assistance:

(1) reverse mortgage loan advances made to a borrower are considered proceeds from a loan and not income; and

(2) undisbursed funds under a reverse mortgage loan are considered equity in a borrower's home and not proceeds from a loan.

(p) The advances made on a reverse mortgage loan under which more than one advance is made must be made according to the terms established by the loan documents by one or more of the following methods:

(1) an initial advance at any time and future advances at regular intervals;

(2) an initial advance at any time and future advances at regular intervals in which the amounts advanced may be reduced, for one or more advances, at the request of the borrower;

(3) an initial advance at any time and future advances at times and in amounts requested by the borrower until the credit limit established by the loan documents is reached;

(4) an initial advance at any time, future advances at times and in amounts requested by the borrower until the credit limit established by the loan documents is reached, and subsequent advances at times and in amounts requested by the borrower according to the terms established by the loan documents to the extent that the outstanding balance is repaid; or

(5) at any time by the lender, on behalf of the borrower, if the borrower fails to timely pay any of the following that the borrower is obligated to pay under the loan documents to the extent necessary to protect the lender's interest in or the value of the homestead property:

(A) taxes;

(B) insurance;

(C) costs of repairs or maintenance performed by a person or company that is not an employee of the lender or a person or company that directly or indirectly controls, is controlled by, or is under common control with the lender;

(D) assessments levied against the homestead

property; and

(E) any lien that has, or may obtain, priority over the lender's lien as it is established in the loan documents.

(q) To the extent that any statutes of this state, including without limitation, Section 41.001 of the Texas Property Code, purport to limit encumbrances that may properly be fixed on homestead property in a manner that does not permit encumbrances for extensions of credit described in Subsection (a)(6) or (a)(7) of this section, the same shall be superseded to the extent that such encumbrances shall be permitted to be fixed upon homestead property in the manner provided for by this amendment.

(r) The supreme court shall promulgate rules of civil procedure for expedited foreclosure proceedings related to the foreclosure of liens under Subsection (a)(6) of this section and to foreclosure of a reverse mortgage lien that requires a court order.

(s) The Finance Commission of Texas shall appoint a director to conduct research on the availability, quality, and prices of financial services and research the practices of business entities in the state that provide financial services under this section. The director shall collect information and produce reports on lending activity of those making loans under this section. The director shall report his or her findings to the legislature not later than December 1 of each year.

(t) A home equity line of credit is a form of an open-end account that may be debited from time to time, under which credit may be extended from time to time and under which:

(1) the owner requests advances, repays money, and reborrows money;

(2) any single debit or advance is not less than \$4,000;

(3) the owner does not use a credit card, debit card, or similar device, or preprinted check unsolicited by the borrower, to obtain an advance;

(4) any fees described by Subsection (a)(6)(E) of this section are charged and collected only at the time the extension of credit is established and no fee is charged or collected in connection with any debit or advance;

(5) the maximum principal amount that may be extended under the account, when added to the aggregate total of the outstanding principal balances of all indebtedness secured by the homestead on the date the extension of credit is established, does not exceed an amount described under Subsection (a)(6)(B) of this section;

(6) no additional debits or advances are made if the total principal amount outstanding exceeds an amount equal to 50 percent of the fair market value of the homestead as determined on the date the account is established;

(7) the lender or holder may not unilaterally amend the extension of credit; and

(8) repayment is to be made in regular periodic installments, not more often than every 14 days and not less often than monthly, beginning not later than two months from the date the extension of credit is established, and:

(A) during the period during which the owner may request advances, each installment equals or exceeds the amount of accrued interest; and

(B) after the period during which the owner may request advances, installments are substantially equal.

(u) The legislature may by statute delegate one or more state agencies the power to interpret Subsections (a)(5)-(a)(7), (e)-(p), and (t), of this section. An act or omission does not violate a provision included in those subsections if the act or omission conforms to an interpretation of the provision that is:

(1) in effect at the time of the act or omission; and

(2) made by a state agency to which the power of interpretation is delegated as provided by this subsection or by an appellate court of this state or the United States.

(v) A reverse mortgage must provide that:

(1) the owner does not use a credit card, debit card, preprinted solicitation check, or similar device to obtain an advance;

(2) after the time the extension of credit is established, no transaction fee is charged or collected solely in connection with any debit or advance; and

(3) the lender or holder may not unilaterally amend the extension of credit.

(Amended Nov. 6, 1973, and Nov. 7, 1995; Subsecs. (a)-(d) amended and (e)-(s) added Nov. 4, 1997; Subsecs. (k), (p), and (r) amended Nov. 2, 1999; Subsec. (a) amended Nov. 6, 2001; Subsecs. (a), (f), and (g) amended and (t) and (u) added Sept. 13, 2003; Subsec. (p) amended and (v) added Nov. 8, 2005; Subsecs. (a), (g), and (t) amended Nov. 6, 2007.)

Sec. 51. AMOUNT OF HOMESTEAD; USES. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot or contiguous lots amounting to not more than 10 acres of land, together with any improvements on the land; provided, that the homestead in a city, town or village shall be used for the purposes of a home, or as both an urban home and a place to exercise a calling or business, of the homestead claimant, whether a single adult person, or the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired; provided further that a release or refinance of an existing lien against a homestead as to a part of the homestead does not create an additional burden on the part of the homestead property that is unreleased or subject to the refinance, and a new lien is not invalid only for that reason.

NOTE: The joint resolution amending Sec. 51 in 1983 included a section that did not purport to amend the constitution and that provided the following: "This amendment applies to all homesteads in this state, including homesteads acquired before the adoption of this amendment."

Sec. 52. DESCENT AND DISTRIBUTION OF HOMESTEAD; RESTRICTIONS ON PARTITION. On the death of the husband or wife, or both, the homestead shall descend and vest in like manner as other real property of the deceased, and shall be governed by the same laws of descent and distribution, but it shall not be partitioned

among the heirs of the deceased during the lifetime of the surviving husband or wife, or so long as the survivor may elect to use or occupy the same as a homestead, or so long as the guardian of the minor children of the deceased may be permitted, under the order of the proper court having the jurisdiction, to use and occupy the same.

Sec. 53. (Repealed Nov. 2, 1999.)

Sec. 58. (Repealed Aug. 5, 1969.)

Sec. 59. CONSERVATION AND DEVELOPMENT OF NATURAL RESOURCES AND PARKS AND RECREATIONAL FACILITIES; CONSERVATION AND RECLAMATION DISTRICTS. (a) The conservation and development of all of the natural resources of this State, and development of parks and recreational facilities, including the control, storing, preservation and distribution of its storm and flood waters, the waters of its rivers and streams, for irrigation, power and all other useful purposes, the reclamation and irrigation of its arid, semiarid and other lands needing irrigation, the reclamation and drainage of its overflowed lands, and other lands needing drainage,

the conservation and development of its forests, water and hydro-electric power, the navigation of its inland and coastal waters, and the preservation and conservation of all such natural resources of the State are each and all hereby declared public rights and duties; and the Legislature shall pass all such laws as may be appropriate thereto.

(b) There may be created within the State of Texas, or the State may be divided into, such number of conservation and reclamation districts as may be determined to be essential to the accomplishment of the purposes of this amendment to the constitution, which districts shall be governmental agencies and bodies politic and corporate with such powers of government and with the authority to exercise such rights, privileges and functions concerning the subject matter of this amendment as may be conferred by law.

(c) The Legislature shall authorize all such indebtedness as may be necessary to provide all improvements and the maintenance thereof requisite to the achievement of the purposes of this amendment. All such indebtedness may be evidenced by bonds of such conservation and reclamation districts, to be issued under such regulations as may be prescribed by law. The Legislature shall also authorize the levy and collection within such districts of all such taxes, equitably distributed, as may be necessary for the payment of the interest and the creation of a sinking fund for the payment of such bonds and for the maintenance of such districts and improvements. Such indebtedness shall be a lien upon the property assessed for the payment thereof. The Legislature shall not authorize the issuance of any bonds or provide for any indebtedness against any reclamation district unless such proposition shall first be submitted to the qualified voters of such district and the proposition adopted.

(c-1) In addition and only as provided by this subsection, the Legislature may authorize conservation and reclamation districts to develop and finance with taxes those types and categories of parks and recreational facilities that were not authorized by this section to be developed and financed with taxes before September 13, 2003. For development of such parks and

recreational facilities, the Legislature may authorize indebtedness payable from taxes as may be necessary to provide for improvements and maintenance only for a conservation and reclamation district all or part of which is located in Bexar County, Bastrop County, Waller County, Travis County, Williamson County, Harris County, Galveston County, Brazoria County, Fort Bend County, or Montgomery County, or for the Tarrant Regional Water District, a water control and improvement district located in whole or in part in Tarrant County. All the indebtedness may be evidenced by bonds of the conservation and reclamation district, to be issued under regulations as may be prescribed by law. The Legislature may also authorize the levy and collection within such district of all taxes, equitably distributed, as may be necessary for the payment of the interest and the creation of a sinking fund for the payment of the bonds and for maintenance of and improvements to such parks and recreational facilities. The indebtedness shall be a lien on the property assessed for the payment of the bonds. The Legislature may not authorize the issuance of bonds or provide for indebtedness under this subsection against a conservation and reclamation district unless a proposition is first submitted to the qualified voters of the district and the proposition is adopted. This subsection expands the authority of the Legislature with respect to certain conservation and reclamation districts and is not a limitation on the authority of the Legislature with respect to conservation and reclamation districts and parks and recreational facilities pursuant to this section as that authority existed before September 13, 2003.

(d) No law creating a conservation and reclamation district shall be passed unless notice of the intention to introduce such a bill setting forth the general substance of the contemplated law shall have been published at least thirty (30) days and not more than ninety (90) days prior to the introduction thereof in a newspaper or newspapers having general circulation in the county or counties in which said district or any part thereof is or will be located and by delivering a copy of such notice and such bill to the Governor who shall submit such notice and bill to the Texas Water Commission, or its successor, which shall file its recommendation

as to such bill with the Governor, Lieutenant Governor and Speaker of the House of Representatives within thirty (30) days from date notice was received by the Texas Water Commission. Such notice and copy of bill shall also be given of the introduction of any bill amending a law creating or governing a particular conservation and reclamation district if such bill (1) adds additional land to the district, (2) alters the taxing authority of the district, (3) alters the authority of the district with respect to the issuance of bonds, or (4) alters the qualifications or terms of office of the members of the governing body of the district.

(e) No law creating a conservation and reclamation district shall be passed unless, at the time notice of the intention to introduce a bill is published as provided in Subsection (d) of this section, a copy of the proposed bill is delivered to the commissioners court of each county in which said district or any part thereof is or will be located and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the creation of the proposed district with the governor, lieutenant governor, and speaker of the house of representatives. Each special law creating a conservation and reclamation district shall comply with the provisions of the general laws then in effect relating to consent by political subdivisions to the creation of conservation and reclamation districts and to the inclusion of land within the district.

(f) A conservation and reclamation district created under this section to perform any or all of the purposes of this section may engage in fire-fighting activities and may issue bonds or other indebtedness for fire-fighting purposes as provided by law and this constitution.

(d) All fees earned by district, county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners Court may direct.

Sec. 66. PROTECTED BENEFITS UNDER CERTAIN PUBLIC RETIREMENT SYSTEMS. (a) This section applies only to a public retirement system that is not a statewide system and that provides service and disability retirement benefits and death benefits to public officers and employees.

(b) This section does not apply to a public retirement system that provides service and disability retirement benefits and death benefits to firefighters and police officers employed by the City of San Antonio.

(c) This section does not apply to benefits that are:

- (1) health benefits;
- (2) life insurance benefits; or
- (3) disability benefits that a retirement system determines are no longer payable under the terms of the retirement system as those terms existed on the date the retirement system began paying the disability benefits.

(d) On or after the effective date of this section, a change in service or disability retirement benefits or death benefits of a retirement system may not reduce or otherwise impair benefits accrued by a person if the person:

(1) could have terminated employment or has terminated employment before the effective date of the change; and

(2) would have been eligible for those benefits, without accumulating additional service under the retirement system, on any date on or after the effective date of the change had the change not occurred.

(e) Benefits granted to a retiree or other annuitant before the effective date of this section and in effect on that date may not be reduced or otherwise impaired.

(f) The political subdivision or subdivisions and the retirement system that finance benefits under the retirement system are jointly responsible for ensuring that benefits under this section are not reduced or otherwise impaired.

(g) This section does not create a liability or an obligation to a retirement system for a member of the retirement system other than the payment by active members of a required contribution or a future required contribution to the retirement system.

(h) A retirement system described by Subsection (a) and the political subdivision or subdivisions that finance benefits under the retirement system are exempt from the application of this section if:

(1) the political subdivision or subdivisions hold an election on the date in May 2004 that political subdivisions may use for the election of their officers;

(2) the majority of the voters of a political subdivision voting at the election favor exempting the political subdivision and the retirement system from the application of this section; and

(3) the exemption is the only issue relating to the funding and benefits of the retirement system that is presented to the voters at the election.

(Former Sec. 66 repealed Nov. 2, 1999; current Sec. 66 added Sept. 13, 2003.)

Sec. 67. STATE AND LOCAL RETIREMENT SYSTEMS. (a) General Provisions. (1) The legislature may enact general laws establishing systems and programs of retirement and related disability and death benefits for public employees and officers. Financing of benefits must be based on sound actuarial principles. The assets of a system are held in trust for the benefit of members and may not be diverted.

(2) A person may not receive benefits from more than one system for the same service, but the legislature may provide by law that a person with service covered by more than one system or program is entitled to a fractional benefit from each system or program based on service rendered under each system or program calculated as to amount upon the benefit formula used in that system or program. Transfer of service credit between the Employees Retirement System of Texas and the Teacher Retirement System of

Texas also may be authorized by law.

(3) Each statewide benefit system must have a board of trustees to administer the system and to invest the funds of the system in such securities as the board may consider prudent investments. In making investments, a board shall exercise the judgment and care under the circumstances then prevailing that persons of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital. The legislature by law may further restrict the investment discretion of a board.

(4) General laws establishing retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this section remain in effect, subject to the general powers of the legislature established in this subsection.

(b) State Retirement Systems. (1) The legislature shall establish by law a Teacher Retirement System of Texas to provide benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state. Other employees may be included under the system by law.

(2) The legislature shall establish by law an Employees Retirement System of Texas to provide benefits for officers and employees of the state and such state-compensated officers and employees of appellate courts and judicial districts as may be included under the system by law.

(3) The amount contributed by a person participating in the Employees Retirement System of Texas or the Teacher Retirement System of Texas shall be established by the legislature but may not be less than six percent of current compensation. The amount contributed by the state may not be less than six percent nor more than 10 percent of the aggregate compensation paid to individuals participating in the system. In an emergency, as determined by the governor, the legislature may appropriate such additional sums as are actuarially determined to be required to fund benefits authorized by law.

(c) Local Retirement Systems. (1) The legislature shall provide by law for:

(A) the creation by any city or county of a system of benefits for its officers and employees;

(B) a statewide system of benefits for the officers and employees of counties or other political subdivisions of the state in which counties or other political subdivisions may voluntarily participate; and

(C) a statewide system of benefits for officers and employees of cities in which cities may voluntarily participate.

(2) Benefits under these systems must be reasonably related to participant tenure and contributions.

(d) Judicial Retirement System. (1) Notwithstanding any other provision of this section, the system of retirement, disability, and survivors' benefits heretofore established in the constitution or by law for justices, judges, and commissioners of the appellate courts and judges of the district and criminal district courts is continued in effect. Contributions required and benefits payable are to be as provided by law.

(2) General administration of the Judicial Retirement System of Texas is by the Board of Trustees of the Employees Retirement System of Texas under such regulations as may be provided by law.

(e) Anticipatory Legislation. Legislation enacted in anticipation of this amendment is not void because it is anticipatory.

(f) Retirement Systems Not Belonging to a Statewide System. The board of trustees of a system or program that provides retirement and related disability and death benefits for public officers and employees and that does not participate in a statewide public retirement system shall:

(1) administer the system or program of benefits;

(2) hold the assets of the system or program for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system or program; and

(3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system or program.

(g) If the legislature provides for a fire fighters' pension commissioner, the term of office for that position is four years.

(Added April 22, 1975; Subsec. (f) added Nov. 2, 1993; Subsec. (g) added Nov. 6, 2001.)

Sec. 68. ASSOCIATIONS OF AGRICULTURAL PRODUCERS; ASSESSMENTS ON PRODUCT SALES TO FINANCE PROGRAMS OF MARKETING, PROMOTION, RESEARCH, AND EDUCATION. The legislature may provide for the advancement of food and fiber in this state by providing representative associations of agricultural producers with authority to collect such refundable assessments on their product sales as may be approved by referenda of producers. All revenue collected shall be used solely to finance programs of marketing, promotion, research, and education relating to that commodity.

(Added Nov. 8, 1983.)

Sec. 69. PRIOR APPROVAL OF EXPENDITURE OR EMERGENCY TRANSFER OF APPROPRIATED FUNDS. The legislature may require, by rider in the General Appropriations Act or by separate statute, the prior approval of the expenditure or the emergency transfer of any funds appropriated to the agencies of state government.

(Added Nov. 5, 1985.)

Sec. 70. (Expired Sept. 1, 2008)

(16.70) Expired.

(Added Nov. 8, 1988; amended Nov. 7, 1995, and Nov. 2, 1999.)

(TEMPORARY TRANSITION PROVISIONS for Sec. 70: See Appendix, Note 1.)

Sec. 71. TEXAS PRODUCT DEVELOPMENT AND SMALL BUSINESS INCUBATOR FUNDS; BONDS. (a) The legislature by law may establish a Texas product development fund to be used without further appropriation solely in furtherance of a program established by the legislature to aid in the development and production of new or improved products in this state. The fund shall contain a program

account, an interest and sinking account, and other accounts authorized by the legislature. To carry out the program authorized by this subsection, the legislature may authorize loans, loan guarantees, and equity investments using money in the Texas product development fund and the issuance of up to \$25 million of general obligation bonds to provide initial funding of the Texas product development fund. The Texas product development fund is composed of the proceeds of the bonds authorized by this subsection, loan repayments, guarantee fees, royalty receipts, dividend income, and other amounts received by the state from loans, loan guarantees, and equity investments made under this subsection and any other amounts required to be deposited in the Texas product development fund by the legislature.

(b) The legislature by law may establish a Texas small business incubator fund to be used without further appropriation solely in furtherance of a program established by the legislature to foster and stimulate the development of small businesses in the state. The fund shall contain a project account, an interest and sinking account, and other accounts authorized by the legislature. A small business incubator operating under the program is exempt from ad valorem taxation in the same manner as an institution of public charity under Article VIII, Section 2, of this constitution. To carry out the program authorized by this subsection, the legislature may authorize loans and grants of money in the Texas small business incubator fund and the issuance of up to \$20 million of general obligation bonds to provide initial funding of the Texas small business incubator fund. The Texas small business incubator fund is composed of the proceeds of the bonds authorized by this subsection, loan repayments, and other amounts received by the state for loans or grants made under this subsection and any other amounts required to be deposited in the Texas small business incubator fund by the legislature.

(c) The legislature may require review and approval of the issuance of bonds under this section, of the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Notwithstanding any other provision of this constitution, any entity created or directed to conduct this review

and approval may include members, or appointees of members, of the executive, legislative, and judicial departments of state government.

(d) Bonds authorized under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

(Added Nov. 7, 1989; Subsec. (b) amended Nov. 2, 1999.)

Sec. 72. TEMPORARY REPLACEMENT OF PUBLIC OFFICER ON MILITARY ACTIVE DUTY. (a) An elected or appointed officer of the state or of any political subdivision who enters active duty in the armed forces of the United States as a result of being called to duty, drafted, or activated does not vacate the office held, but the appropriate authority may appoint a replacement to serve as temporary acting officer as provided by this section if the elected or appointed officer will be on active duty for longer than 30 days.

(b) For an officer other than a member of the legislature, the authority who has the power to appoint a person to fill a vacancy in that office may appoint a temporary acting officer. If a vacancy would normally be filled by special election, the governor may appoint the temporary acting officer for a state or district office, and the governing body of a political subdivision may appoint the temporary acting officer for an office of that political subdivision.

(c) For an officer who is a member of the legislature, the member of the legislature shall select a person to serve as the temporary acting representative or senator, subject to approval of the selection by a majority vote of the appropriate house of the legislature. The temporary acting representative or senator must be:

(1) a member of the same political party as the member

being temporarily replaced; and

(2) qualified for office under Section 6, Article III, of this constitution for a senator, or Section 7, Article III, of this constitution for a representative.

(d) The officer who is temporarily replaced under this section may recommend to the appropriate appointing authority the name of a person to temporarily fill the office.

(e) The appropriate authority shall appoint the temporary acting officer to begin service on the date specified in writing by the officer being temporarily replaced as the date the officer will enter active military service.

(f) A temporary acting officer has all the powers, privileges, and duties of the office and is entitled to the same compensation, payable in the same manner and from the same source, as the officer who is temporarily replaced.

(g) A temporary acting officer appointed under this section shall perform the duties of office for the shorter period of:

(1) the term of the active military service of the officer who is temporarily replaced; or

(2) the term of office of the officer who is temporarily replaced.

(h) In this section, "armed forces of the United States" means the United States Army, the United States Navy, the United States Air Force, the United States Marine Corps, the United States Coast Guard, any reserve or auxiliary component of any of those services, or the National Guard.

(Added Sept. 13, 2003.)

Sec. 73. VETERANS HOSPITALS. The state may contribute money, property, and other resources for the establishment, maintenance, and operation of veterans hospitals in this state.

(Added Nov. 3, 2009.)
